

IN THE CIRCUIT COURT OF THE
ELEVENTH JUDICIAL CIRCUIT, IN AND
FOR MIAMI-DADE COUNTY, FLORIDA

CAROLE DICKSON, individually and on
behalf of those similarly situated

Plaintiff,

v.

LEAFFILTER NORTH, LLC.

Defendant.

Case No. 2025-005897-CA-01

**PLAINTIFF'S UNOPPOSED MOTION FOR FINAL APPROVAL OF
CLASS ACTION SETTLEMENT AND SUPPORTING MEMORANDUM**

Plaintiff Carole Dickson, on behalf of herself and all others similarly situated, respectfully requests that the Court grant final approval of the proposed class action settlement described in detail in the Class Action Settlement Agreement attached hereto as **Exhibit A** (the "Agreement"). Defendant does not oppose the relief sought herein.

I. CONCISE STATEMENT OF THE PRECISE RELIEF REQUESTED

Plaintiff files this motion requesting that the Court approve a class action settlement and certify a settlement class. Plaintiff respectfully requests that the Court grant approval of the proposed settlement, and enter an order of Final Approval including, in substantially the same form, the content of the proposed Order attached to this Motion as **Exhibit B**.

The proposed Order approves the form of notice given to the Class and finds that it constituted the best notice practicable and comported with due process requirements, awards attorneys' fees and an incentive award, enters judgment, and dismisses the Action with prejudice and without costs except as set forth in the Agreement, bars and enjoins the Class Representative,

the Settlement Class, and each Settlement Class Member (collectively, the “Releasing Parties”) from asserting Released Claims, releases the Released Parties from Released Claims, and reserves jurisdiction over the Parties to administer, supervise, construe, and enforce the Agreement in accordance with its terms.

II. STATEMENT OF THE BASIS FOR THE REQUEST

As set forth in the Plaintiff’s Motion for Preliminary Approval of Class Action Settlement, the Parties reached a Settlement Agreement wherein Defendant has agreed make available up to **\$975,000.00** (the “Settlement Cap”)¹ for the benefit of the Settlement Class Members. Through the Settlement Agreement, each Class Member submitting a valid and timely Claim would receive approximately \$157.43, after all Service Award, Attorneys’ Fees and Expenses and Notice and Administrative Costs are deducted from the Settlement Cap.² Moreover, the Parties have

¹ Capitalized terms herein match terms contained within the Settlement Agreement.

² This exceeds by multiples the raw, per- potential settlement class member value of many analogous TCPA class action settlements. See, e.g., Williams v. Bluestem Brands, Inc., No. 17-1971, 2019 WL 1450090, at *2 (M.D. Fla. Apr. 2, 2019) (approximately \$7 per potential class member); Prather v. Wells Fargo Bank, N.A., No. 15- 4231, 2017 WL 770132 (N.D. Ga. Feb. 24, 2017) (\$4.65 per potential class member); Luster v. Wells Fargo Dealer Servs., Inc., No. 15-1058, ECF No. 60 (N.D. Ga. Feb. 23, 2017) (\$4.65 per potential class member); James v. JPMorgan Chase Bank, N.A., No. 15-2424, 2016 WL 6908118, at *1 (M.D. Fla. Nov. 22, 2016) (\$5.55 per potential class member); Cross v. Wells Fargo Bank, N.A., No. 15-cv-1270, 2016 WL 5109533 (N.D. Ga. Sept. 13, 2016) (\$4.75 per potential class member); Markos v. Wells Fargo Bank, N.A., No. 15-1156, 2016 WL 4708028 (N.D. Ga. Sept. 7, 2016) (\$4.95 per potential class member); Wilkins v. HSBC Bank Nev., N.A., No. 14-190, 2015 WL 890566, at *3 (N.D. Ill. Feb. 27, 2015) (\$2.95 per potential class member); Picchi v. World Fin. Network Bank, No. 11-61797 (S.D. Fla. Jan. 30, 2015) (\$2.63 per potential class member); Duke v. Bank of Am., N.A., No. 12-4009, ECF Nos. 51, 59 (N.D. Cal. Feb. 19, 2014) (\$4.15 per potential class member); Johnson v. Navient Sols., Inc., No. 21:15- cv-00716-LJM-MJD, ECF No. 175 (N.D. Ind. Jul. 26, 2017) (\$19,744,650 to compensate a class that included 429,893 unique telephone numbers with wrong number codes, or just under \$46 per potential class member). Additionally significant, the court in Markos v. Wells Fargo Bank, N.A. characterized a \$24 per-claimant recovery in a TCPA class action as “an excellent result when compared to the issues Plaintiffs would face if they had to litigate the matter.” No. 15-1156, 2017 WL 416425, at *4 (N.D. Ga. Jan. 30, 2017).

implemented the Notice plan and provided the Notice as approved and ordered by the Court, and ***no Class Member has objected to the terms of the Settlement Agreement.*** See Declaration of Class Administrator, attached hereto as **Exhibit C** (“Administrator Declaration”) at ¶¶ 12-13. “[A] low percentage of objections points to the reasonableness of a proposed settlement and supports its approval.” Lipuma v. Am. Express Co., 406 F. Supp. 2d 1298, 1324 (S.D. Fla. 2005).

Thus, the terms of the Settlement are fair and reasonable, the form of Notice comported with due process requirements, and the Settlement Agreement is ripe for final approval so that the agreed-upon payments may be made to Settlement Class Claimants in accordance with the terms of the Agreement.

III. MEMORANDUM OF LEGAL AUTHORITY

For background information on the litigation history and the actions which led to the Parties agreeing to the Settlement Agreement, including the participation of a neutral mediator, the Parties hereby incorporate the facts as set forth in Plaintiff’s Motion for Preliminary Approval.

a. Terms of the Settlement

The Settlement requires Defendant to make available the Settlement Cap, up to **\$975,000.00** pursuant to the terms of the Settlement Agreement for the purpose of payment to all Settlement Class Claimants. Any Notice and Administrative Costs (up to \$50,000) will be paid from the Settlement Cap, and any Attorney’s Fees and Expenses and Service Award that this Court approves will also be paid from the Settlement Cap. *See, generally*, Exhibit A.

b. Certification of the Settlement Class for Settlement Purposes Only Is Warranted

Generally, where there is no objection to certification and no change in circumstances from the Order preliminarily certifying a class for settlement purposes, courts certify a class for purposes

of final approval of the settlement as a matter of course. See, e.g., Burrow v. Forjas Taurus S.A., 2019 U.S. Dist. LEXIS 151734, at *20 (S.D. Fla. Sep. 6, 2019).³ Here, there were no objections to certification of the Settlement Class for settlement purposes. See Administrator Declaration at ¶¶ 12-13. Moreover, there has been no change in factual circumstances since preliminary approval.

As to Rule 1.220(a), (1) there are more than four thousand class members (4,061) (numerosity), (2) all class members can make the same claim – that the Defendant allegedly caused prerecorded voice messages to be transmitted to their telephones in violation of the Telephone Consumer Protection Act (commonality), (3) Plaintiff’s claim and interest in the settlement are the same as class members’ claims and Plaintiff is not subject to any unique affirmative defenses (typicality), and (4) Plaintiff and Class Counsel have zealously litigated the claim, secured full relief, and have no interests antagonistic to the class (adequacy). As to Rule 1.220(b)(3), pursuant to the terms of the Settlement, (1) there are no individual issues precluding class treatment (predominance), and (2) class treatment is the best method of adjudication, as seen in the fact that every class member received substantial relief without the need for numerous (and duplicative) individual cases (superiority). Thus, certification of the Settlement Class is warranted for settlement purposes only.

c. The Notice Provided to Class Members Was the Best Practicable Notice and Comported with Due Process Requirements

The notice requirements of Rule 1.220 are (a) designed to provide sufficient due process to class members by sufficiently informing them of the pendency of the Action and providing an

³ Florida Rule of Civil Procedure is patterned on Rule 23 of the Federal Rules so Florida courts consider case law interpreting Rule 23 as persuasive. Broin v. Philip Morris Co. 641 So.2d 888, n.1 (Fla. 3rd DCA 1994).

opportunity to be heard or opt out, and (b) must be the “best notice practicable” under the circumstances. Nelson v. Wakulla County, 985 So. 2d 564, 576 (Fla. 1st DCA 2008). To satisfy such requirement, individual notice should be provided to Class Members who can be identified through reasonable effort. See Cordell v. World Ins. Co., 355 So. 2d 479, 481 (Fla. 1st DCA 1978) (citing Eisen v. Carlisle & Jacquelin, 417 U.S. 156, 173-75 (1974)).

Here, Class Notice was sent via direct mail and email by RG/2 Claims Administration LLC the Court appointed “Administrator”. See Administrator Declaration at ¶ 7. Individual, direct notice by email and mail clearly comports with due process requirements. See, e.g., Juris v. Inamed Corp., 685 F.3d 1294, 1320 (11th Cir. 2012). Moreover, and as explained in Agreed Order Preliminarily Approving Class Action Settlement dated May 22, 2025 (the “Preliminary Approval Order”), the Claim Form, and Notice provided included a clear explanation of the terms of the Settlement, the amount sought in attorneys’ fees and service awards, informed class members of their right to object to or seek exclusion and the method by which to do so and provided an opportunity to be heard. The Class Notice program also notifies the Settlement Class that by making a valid and timely claim they will receive no more than the amount equal to the Settlement Cap divided by the number of individuals on the Class List, less each Settlement Class Member’s pro rata share of the Notice and Administration costs, Attorney’s Fees and Costs and Service Award, and that Notice and Administrative Costs, Attorneys’ Fees and Costs and any Service Award will be paid from the Settlement Cap.

The Administrator also established a Settlement Website, www.GutterTCPASettlement.com where Settlement Class Members could obtain copies of the Settlement Agreement and Release, the Long Form Notice, the Claim Form, the Court’s

Preliminary Approval Order, and Class Action Complaint. Id. at ¶ 8. The Settlement Website has been active since on or about June 20, 2025 and also permits Settlement Class Members to submit a claim. Id. This Motion will also be posted to the Settlement Website upon filing with this Court.

The Administrator also established a toll-free phone number of 1-866-742-4955 and a dedicated post office box to receive returned Notices, Claim Forms and Opt-Out requests. Id. at ¶ 9.

The Class Notice Program as described herein was successful and satisfies the requirements of due process. The reach of the Class Notice Program was consistent with other court-approved notice plans, was the best notice practicable under the circumstances.

Finally, no objections have been received by RG/2 Claims Administration LLC. Id. at ¶¶ 12-13.

d. The Terms of the Settlement Are Fair and Reasonable

Finally, before granting final approval of a proposed settlement, the court must find that the terms of the settlement are fair, reasonable, and adequate. See Ramos v. Phillip Morris Cos., 743 So. 2d 24, 31 (Fla. 3d DCA 1999) (citations omitted). Courts consider several factors in making such determination, including: (1) the complexity and duration of the litigation; (2) the reaction of the class to the settlement; (3) the stage of the proceedings; (4) the risk of establishing liability; (5) the risk of establishing damages; (6) the risk of maintaining a class action; (7) the ability of the defendant to withstand a greater judgment; (8) the reasonableness of the settlement in light of the best recovery; and (9) the range of reasonableness of the settlement in light of all the attendant risks of litigation. Grosso v. Fid. Nat'l Title Ins. Co., 983 So. 2d 1165, 1173-74 (Fla. 3d DCA 2008); see also Griffith v. Quality Distrib., 43 Fla. L. Weekly 1599 (App.2018).

All such aforementioned factors favor a finding that the terms of the Agreement are clearly fair, adequate, and reasonable. See Ramos v. Philip Morris Cos., 743 So. 2d 24, 32 (Fla. 3d DCA 1999) (approving settlement because benefits obtained must be analyzed in light of significant risk of litigation); Wilson v. EverBank, 2016 U.S. Dist. LEXIS 15751, at *34 (S.D. Fla. Feb. 3, 2016) (finding significant that appellate court could rule unfavorably to settlement class members). Continuing litigation through class certification briefing, summary judgment briefing (and potentially trial), and through an extensive appellate process would have been extremely expensive and complex, and likely would have extended for several years. See, e.g., Borcea v. Carnival Corp., 238 F.R.D. 664, 673 (S.D. Fla. 2006) (approving settlement and finding significant that class members risked recovering nothing on threshold issue of whether a litigated class would be certified); Hamilton v. SunTrust Mortg. Inc., 2014 U.S. Dist. LEXIS 154762, at * (S.D. Fla. Oct. 24, 2014) (avoiding expense and length of protracted litigation is significant factor in analyzing terms of settlement). Moreover, not a single class member objected to the terms of the Agreement, which is virtually dispositive on the question of whether the terms of a settlement are fair and reasonable to Class Members. See also Barnhill v. Fla. Microsoft Anti-Trust Litig., 905 So. 2d 195, 200 (Fla. 3d DCA 2005) (“The fairness of the settlement and the propriety of the release is confirmed by the fact that so few of the class members have objected to it[.]”).

As set forth in the Motion for Preliminary Approval, the Settlement Cap made available to the class here is more than reasonable, given the complexity of the litigation and the significant risks and barriers that loomed in the absence of settlement including, but not limited to, cell phone number requirements, residential telephone number requirements and consent. Defendant has indicated it would assert various legal challenges, and additional motion practice would follow,

including a motion for class certification and motions for summary judgment, plus trial and potential appellate review following a final judgment. Success on these issues is not a foregone conclusion in light of these challenges and the highly capable and experienced counsel it retained to defend it in this action.

Furthermore, the Settlement Agreement has been positively received by the Settlement Class Members as not a single one has objected to the agreement. See Administrator Decl. at ¶¶ 12-13. The fact that it has been positively received speaks to its fairness and reasonableness.

For all these reasons, Plaintiff respectfully submits that the terms of the Settlement are fair, adequate, and reasonable to class members.

e. The Attorneys' Fees Requested Are Reasonable

The fees sought here are reasonable under the guidance of the United States Supreme Court for analysis of fee petitions in class actions where a settlement fund is obtained. See Boeing Co. v. Van Gemert, 444 U.S. 472, 478 (1980) (The Supreme Court “has recognized consistently that a litigant or a lawyer who recovers a fund for the benefit of persons other than himself or his client is entitled to a reasonable attorney’s fee from the fund as a whole.”).

Here, Class Counsel is seeking \$302,250 in Attorneys’ Fees and Costs from the Settlement Cap. Class Counsel expended numerous hours related to this matter and to compensate them, courts typically award between 20-40% of the settlement fund and Plaintiff’s request is within that range at 31%. See Camden I Condo. Ass’n v. Dunkle, 946 F.2d 768, 774 (11th Cir. 1991)(“To avoid depleting the funds available for distribution to the class, an upper limit of 50% of the fund may be stated as a general rule, although even larger percentages have been awarded”); see also Dasher v. RBC Bank U.S. (In re Checking Account Overdraft Litig.), No. 09-MD-02036, 2020

U.S. Dist. LEXIS 142012, 2020 WL 4586398, at *51 (S.D. Fla. Aug. 10, 2020) (Approving thirty-five percent of a \$ 7,500,000 settlement fund plus costs for Class Counsels efforts in achieving a resolution). The hours spent here by Class Counsel were on numerous issues, including investigating the potential claim and relevant legal and factual issues, drafting the Complaint, researching legal issues, discovery-related issues, data analysis, and a mediation session. The fee request is reasonable based on the results obtained. See Swift v. BancorpSouth Bank, No. 10-cv-00090-GRJ (N.D. Fla., July 15, 2016) (awarding \$8.4 million in fees—35%—of \$24 million class settlement); see also Johns Manville v. Tennessee Valley Auth., No. 99-2294 (N.D. Ala. Aug. 20, 2007) (awarding \$6.3 million in fees—35%—of \$18 million class settlement); Neal v. Chase Manhattan Bank, U.S.A., N.A., No. 06-00049 (S.D. Ala. May 30, 2006) (awarding \$1 million in fees and expenses—37%—of \$2.7 million class settlement): see also Stuart J. Logan et al., Attorney Fee Awards in Common Fund Class Actions, 24 Class Action Rep. 169 (Mar.-Apr. 2003) (listing numerous fee awards above 35% between 1973 and 2003); Blanco v. Xtreme Drilling & Coil Services, Inc., 2020 U.S. Dist. LEXIS 126155, 2020 WL 4041456, at *5 (D. Colo. Corp., No. 2:17-cv-404-KG-SMV, 2020 U.S. Dist. LEXIS 202390, at *17-18 (D.N.M. Oct. 30, 2020) ("I find that the requested attorneys' fee award of 35% of the gross settlement fund is reasonable and in line with similar awards."); Blanco v. Xtreme Drilling & Coil Servs., Civil Action No. 16-cv-00249-PAB-SKC, 2020 U.S. Dist. LEXIS 126155, at *15 (D. Colo. July 17, 2020) ("Plaintiff's counsel in this case seeks \$323,000 in attorney's fees and costs, or 38% of the total settlement amount. Supp. 2d 1178, 1257 (D.N.M. 2012) (“Fees in the range of 30-40% of any amount recovered are common in complex and other cases taken on a contingency fee basis.”); Cook v. Rockwell Int’l Corp., 2017 U.S. Dist. LEXIS 181814, 2017 WL 5076498, at *1-2 (D. Colo. Apr. 28, 2017) (explaining forty percent fee falls within acceptable range); Cimarron Pipeline Construction, Inc. v. National Council on Compensation Insurance, 1993 U.S. Dist. LEXIS 19969, 1993 WL 355466 at *2 (W.D. Okla. June 8, 1993) (“Fees in the range of 30-40% of any amount recovered are common in complex and other cases taken on a contingent fee basis.”); Shaw v. Interthinx, Inc., No. 13-CV-01229-REB-NYW, 2015 WL 1867861, at *6 (D. Colo. Apr. 22, 2015) (awarding one-third of a \$6 million common fund, and noting that “[t]his is well within the percentage range approved in similar cases,” and that “the ‘customary fee’ factor supports the requested fee award”); Robles v. Brake Masters Sys., Inc., No. CIV 10-0135 JB/WPL, 2011 WL 9717448, at *19 (D.N.M. Jan. 31, 2011) (“Fees in the range of 30–40% of any amount recovered are common in complex and other cases taken on a contingent fee basis.”) (quoting Cimarron Pipeline Const., Inc. v. Nat’l Council on Comp. Ins., No. CIV 89-1186-T, 1993 WL 355466, at *2 (W.D. Okla. June 8, 1993)).

f. The Service Award Requested Are Reasonable

As explained by the Third District Court of Appeals, being a putative class representative “is less an honor than a headache” because he or she is “identified as a class litigant in public records (potentially affecting credit reports and disclosures for financing), is subject to fiduciary duties...may be deposed and required to produce records [and] meet with counsel and appear in court.” Altamonte Springs Imaging, 12 So. 3d at 857. Thus, “incentive awards are appropriate to recognize the efforts of the representative plaintiffs to obtain recovery for the class.” In re

Domestic Air Transp. Litig., 148 F.R.D. 297, 358 (N.D. Ga. 1993).

Here, Defendant has agreed to pay the service award of up to \$7,500.00 to the named Plaintiff, which is less than amounts regularly approved by courts. See, e.g., Altamonte Springs Imaging, 12 So. 3d at 857 (approving incentive award of \$10,000); Bastian v. USAA, No. 13-cv-1454, USDC Middle District of Florida (\$10,000 service awards in total-loss class action settlement); Jones v. I.Q. Data Int'l, Inc., No. 1:14-CV-00130-PJK, 2015 WL 5704016, at *2 (D.N.M. Sept. 23, 2015) (\$20,000 incentive award from a \$1 million fund); Markos, 2017 WL 416425, at *3 (approving incentive awards of \$20,000 each in TCPA class action); Prater, 2015 WL 8331602, at *3 (\$20,000 incentive award from a \$6.75 million fund); Craftwood Lumber Co. v. Interline Brands, Inc., No. 11-CV-4462, 2015 WL 1399367, at *6 (N.D. Ill. Mar. 23, 2015) (collecting cases and approving a \$25,000 service award to TCPA class representative); Ritchie v. Van Ru Credit Corp., No. CV-12-1714-PHX-SMM, 2014 WL 956131, at *5 (D. Ariz. Mar. 12, 2014) (\$12,000 incentive award from a \$2.3 million fund); Martin v. Dun & Bradstreet, Inc., No. 1:12-cv-215, 2014 WL 9913504, at *3 (N.D. Ill. Jan. 16, 2014) (approving a \$20,000 service award to a TCPA class representative).

CONCLUSION

Plaintiff respectfully requests that the Court grant final approval of the proposed Settlement, and enter an order of final approval including, in substantially the same form, the content of the proposed Order attached as **Exhibit B**, including:

1. Directing payment be issued to Settlement Class Members in accordance with the terms of the Agreement;
2. Certifying the Settlement Class for purposes of settlement only;

3. Finding that the Notice provided was the best notice practicable and comported with due process requirements;
4. Appointing the named Plaintiff Carole Dickson as class representative;
5. Appointing Michael Eisenband, and Manuel Hiraldo as Class Counsel;
6. Finding that the terms of the Settlement were fair, adequate, and reasonable;
7. Releasing the Released Parties from Released Claims;
8. Barring and enjoining Releasing Parties from asserting Released Claims;
9. Entering judgment with prejudice and without costs except as provided in the Agreement;
10. Approving Class Counsel's application for attorneys' fees and costs and Plaintiffs' Service Awards in accordance with the Agreement; and
11. Reserving jurisdiction to administer, supervise, and enforce the Agreement according to its terms.

Case No. 2025-005897-CA-01

SETTLEMENT AGREEMENT AND RELEASE

This Settlement Agreement and Release is entered into between and among the following parties, by and through their respective counsel: Plaintiff Carole Dickson (“Plaintiff” or “Class Representative”), on behalf of herself and the Settlement Class, and Defendant LeafFilter North, LLC (“Defendant”). Plaintiff and Defendant will sometimes be referred to together as the “Parties,” or, individually, as a “Party.”

WHEREAS, Plaintiff filed a Class Action Complaint (the “Action”) on behalf of herself and a putative class in the lawsuit styled *Dickson v. LeafFilter North, LLC.*, in the Eleventh Judicial Circuit in and for Miami-Dade County, Florida, which asserts claims under the Telephone Consumer Protection Act (“TCPA”).¹

WHEREAS, Plaintiff alleges that she and members of the class received phone calls from Defendant, which allegedly harmed them and the class (the “Allegations”);

WHEREAS, Plaintiff alleges that, as a result of the Allegations, she and other similarly situated individuals are entitled to declaratory and injunctive relief, statutory damages, attorneys’ fees, and costs;

WHEREAS, the Parties, Plaintiff’s counsel and Defendant’s counsel, ultimately reached an agreement in principle to resolve the claims raised in the Action;

WHEREAS, for settlement purposes only, Plaintiff will request that the Court certify the Settlement Class and appoint her as Class Representative and her lawyers—Michael Eisenband of Eisenband Law, P.A. and Manuel S. Hiraldo of Hiraldo, P.A. — as Class Counsel in this case;

¹ The Action was originally filed in the District of Oregon on July 30, 2024, Case No. 24-cv-01227. On September 13, 2024, the Action was then transferred to the Northern District of Ohio, Case No. 24-cv-01578. The Action was dismissed from the Northern District of Ohio on March 21, 2025. The Action was refiled in the Eleventh Judicial Circuit in and for Miami-Dade County, Florida on April 2, 2025.

WHEREAS, based on their investigation and discovery in the Action and the experience of Class Counsel, Plaintiff and Class Counsel have concluded that the terms and conditions of this Agreement are fair, reasonable, and adequate to, and in the best interest of, the Settlement Class;

WHEREAS, Plaintiff, on behalf of herself and as the representative of the Settlement Class, and Defendant desire to resolve the dispute between them;

WHEREAS, Plaintiff, on behalf of herself and as the representative of the Settlement Class, and Defendant will execute this Agreement solely to compromise and settle protracted, complicated, and expensive litigation; and

WHEREAS, Defendant denies any and all liability or wrongdoing to the Class Representative and to the Settlement Class. Nonetheless, Defendant has concluded that further litigation would be protracted and expensive, has taken into account the uncertainty and risks inherent in this Action, and has determined that it is desirable that the Action and the Allegations be fully, completely, and finally settled in the manner and on the terms set forth herein.

NOW, THEREFORE, in exchange for the mutual covenants and promises contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties and their counsel agree that the Action shall be settled, compromised, and/or dismissed on the merits and with prejudice on the terms and conditions in this Agreement, and without costs (except as provided herein), subject to Court approval of this Agreement after a hearing and on finding that it is a fair, reasonable, and adequate settlement.

Class Counsel and Counsel for Defendant may, by agreement, substitute a different entity as Administrator, subject to approval by the Court if the Court has previously approved the Settlement preliminarily or finally.

II. SETTLEMENT TERMS

A. Certification of Settlement Class and Conditional Nature of Agreement

For settlement purposes only, Defendant conditionally agrees and consents to certification of the Settlement Class. Defendant's conditional agreement is contingent on (i) the Parties' execution of this Agreement, (ii) the Court's entry of the Final Approval Order, and (iii) the Final Approval Order becoming Final. Except as provided below, if this Agreement, for any reason, does not receive Final Approval, if the Final Approval Order does not become Final, or if the Agreement is otherwise terminated, it shall be null and void, it shall be of no force or effect whatsoever, it shall not be referred to or used for any purpose whatsoever, and the negotiation, terms, and entry of the Agreement shall remain inadmissible under the Florida Rules of Civil Procedure, Florida Rules of Evidence, and any applicable federal or state law or rule of civil procedure or evidence.

Defendant denies all claims, liability, damages, losses, penalties, interest, fees, restitution, and all other forms of relief that were or could have been sought in the Action, as well as all class action allegations asserted in the Action. Defendant has agreed to resolve this Action through this Agreement, but if this Agreement is deemed void or Final Approval does not occur, Defendant does not waive, but rather expressly reserves, all rights to challenge all such claims and allegations in the Action on all procedural, evidentiary, and factual grounds, including, without limitation, the ability to challenge on any grounds whether any class can be certified and to assert any and all defenses or privileges.

The Class Representative and Class Counsel agree that Defendant retains and reserves all of these rights and agree not to take a position to the contrary. If, for any reason, the settlement does not receive final, complete and non-appealable court approval, the case will be immediately

voluntarily dismissed and refiled in the United States District Court for the Northern District of Ohio. Defendant and its counsel agree that any of Plaintiff's previous dismissals will not be challenged by Defendant as a dismissal with prejudice or which would preclude Plaintiff's case from being refiled in the United States District Court for the Northern District of Ohio.

B. Settlement Class Relief

1. Claim Settlement Payments to Settlement Class

In consideration for the Releases set forth in this Agreement, Defendant shall provide the following relief:

Defendant shall make available up to **\$975,000** in cash (the "Settlement Cap") for payment of Claim Settlement Payments, Notice and Administrative Costs, Attorneys' Fees and Expenses and the Service Award. Defendant need not segregate funds or otherwise create special accounts to hold the Settlement Cap and will not relinquish control of any money until payments are due as set forth in the Settlement Agreement. The parties agree that undistributed funds—that is, funds not used to pay the Claim Settlement Payments, Notice and Administrative Costs, Service Award, and Attorneys' Fees and Expenses—and uncashed checks will remain with Defendant.

Settlement Class Members must submit a timely, valid, and verified Claim Form, by the Claim Deadline in the manner required by this Agreement, to receive a Claim Settlement Payment from the Settlement Cap.

Each Settlement Class Member who submits a timely, valid, correct and verified Claim Form by the Claim Deadline in the manner required by this Agreement, making all the required affirmations and representations, shall be sent a Claim Settlement Check by the Administrator.

Each Settlement Class Member who submits a timely and valid claim form shall be paid a claim of no more than the amount equal to the Settlement Cap divided by the number of individuals

on the Class List, less each Settlement Class Member's pro rata share of the Notice and Administration costs, Attorney's Fees and Costs and Incentive Award. The timely and valid claims shall be paid from the Settlement Cap. For example, if the total of Notice and Administrative Costs, Attorneys' Fees and Expenses and Service Award approved by the Court constitutes 25% of the Settlement Cap, each Settlement Class Members' claim payments will be reduced by 25%.

Within 60 days after the Effective Date, the Administrator shall send, by first-class mail, a Claim Settlement Check to each Settlement Class Member who submits a timely, valid, correct, and verified Claim Form. Checks will be valid for 60 days from the date on the check.

Except as provided in this Section and any Service Award, Defendant shall have no obligation to make any other or further payments to Plaintiff or to any Settlement Class Member.

2. Ongoing Compliance

Defendant also agrees to continue their ongoing commercially reasonable efforts to ensure compliance with the TCPA.

C. Settlement Approval

Concurrent with submission of this Agreement for the Court's consideration, Class Counsel shall submit to the Court a motion for preliminary approval of this Agreement. The motion shall seek entry of a Preliminary Approval Order, which shall be in a form agreed upon by Class Counsel and Defendant. Class Counsel shall give Defendant a minimum of four days to review the motion before it is filed. Class Counsel shall also give Defendant a minimum of four days to review its motion for final approval before it is filed.

D. Service Award and Attorneys' Fees and Expenses

1. Service Award

Plaintiff may petition the court, subject to court approval, for a Service Award which will be paid from the Settlement Cap of no more than \$7,500.00. To the extent the court does not

approve a Service Award or does not award the entirety of the requested amount, the reduced amount shall revert to Defendant. The non-approval of the amount requested by Plaintiff shall not be a basis to terminate the Agreement, and Plaintiff shall not appeal any reduction of the requested Service Award. Defendant shall provide to the Administrator the amount necessary to satisfy any Service Award within 14 days of the Effective Date. The Administrator shall pay any Service Award to Plaintiff within 21 days of the Effective Date.

2. Attorneys' Fees and Expenses

Class Counsel will request an award of Attorneys' Fees and Expenses, subject to court approval, of no more than \$302,250 to be paid from the Settlement Cap. To the extent the Court does not approve an attorneys' fee award or does not award the entirety of the requested amount, the reduced amount shall revert to Defendant. The non-approval of the amount requested by Class Counsel shall not be a basis to terminate the settlement, and Class Counsel shall not appeal any reduction of the requested Attorneys' Fees and Expenses. Class Counsel shall be responsible for allocating and shall allocate among Class Counsel any Attorneys' Fees and Expenses, and Defendant shall have no responsibility, role, or liability in connection with such allocation. Defendant shall provide to the Administrator the amount necessary to satisfy any award of Attorneys' Fees and Expenses within 14 days of the Effective Date. The Administrator shall administer the Settlement in accordance with the terms of this Agreement and shall treat any and all documents, communications, and other information and materials received in connection with the administration of the Settlement as Confidential Information except as provided for in this Agreement or by court order.

Defendant shall not be obligated to compute, estimate, or pay any taxes on behalf of Plaintiff, any Settlement Class Member, Class Counsel, or the Administrator. The Administrator will invoice Defendant directly for start-up and initial Class Notice costs at any time after entry of the Preliminary Approval Order and will bill Defendant pursuant to its standard billing schedule for incurred fees and expenses thereafter, or as otherwise agreed upon between the Administrator and Defendant. The Administrator will complete and provide to Defendant any W9 forms necessary for Defendant to pay for the Notice and Administrative Costs.

For any Notice returned as undeliverable, the Administrator shall use the National Change of Address database (the "NCOA") or skip-tracing in an attempt to obtain better addresses for such returned Notices, and should the NCOA or skip-tracing show a more current address, the Administrator shall make one additional attempt to send the returned Notice to the more current address. The Administrator shall provide Class Counsel and Defendant a sworn declaration that confirms that the Notice Program was completed in a timely manner and in accordance with this Agreement and the Preliminary Approval Order.

3. Long-Form Notice

The Notice will contain the address for the Settlement Website, www.GutterTCPASettlement.com (or other website agreed upon by the Parties if this URL is not available). On the website, Settlement Class Members will find important documents and court filings, including the Long-Form Notice, which will contain more detail than the Notice. The Long Form Notice will be sent to all Settlement Class Members who contact the Administrator in writing or by telephone and request a copy.

4. Settlement Website

By the Class Notice Date, the Administrator shall establish and maintain the Settlement Website, with content and a URL mutually agreed upon by the Parties, which, among other things: (i) enables Settlement Class Members to access and download the Claim Form, (ii) provides contact information for the Administrator and Class Counsel, and (iii) provides access to relevant documents concerning the Action. 4. Claim Review Process

The Administrator shall confirm that each Claim Form submitted is in the form required; that each Claim Form includes the required affirmations, information, and documentation; that each Claim Form was submitted in a timely fashion; and that the Settlement Class Member is a member of the Settlement Class. Any Settlement Class Member's failure to provide any of the required affirmations or information shall result in the Claim being deemed invalid, and Defendant shall not have any further obligation to process or make any Claim Settlement Payment on such invalid Claim. The Administrator shall not receive any incentive for denying claims. Valid claims will result in the Settlement Class Member being approved as a Settlement Class Claimant and entitled to a Settlement Class Payment. The Parties' counsel will be permitted to review and audit the list of accepted and rejected claims, and the submitted Claim Forms, for the purposes of objection.

Each Settlement Class Member who submits a timely and valid Claim Form shall be paid a Claim Settlement Payment of no more than the amount equal to the Settlement Cap divided by the number of individuals on the Class List, less each Settlement Class Member's pro rata share of the Notice and Administration costs, Attorney's Fees and Costs and Incentive Award, as explained herein. The timely and valid claims shall be paid from the Settlement Cap.

If the Agreement is not so approved, the Parties shall have the right to withdraw from the Agreement and return to the status quo ante as if no settlement or this Agreement had been negotiated or entered into, unless the defect is curable. The Parties agree to work in good faith for at least 14 days to remedy any defect and re-submit a proposed Settlement for preliminary or final approval, if such defect is curable. Moreover, the Parties shall be deemed to have preserved all of their rights or defenses, and shall not be deemed to have waived any substantive, evidentiary, procedural, or other rights of any kind that they may have as to each other or any member of the Settlement Class. If the Agreement is approved without material modification by the Court, but is later reversed or vacated on appeal, each of the Parties shall have a right to withdraw from the Agreement, subject to engaging in good faith effort to remedy any defect as stated in this Section, and return to the status quo ante, for all litigation purposes, as if no Agreement had been negotiated

or entered into, and shall not be deemed to have waived any substantive, evidentiary, procedural, or rights of any kind that they may have as to each other or any member of the Settlement Class.

If the Settlement does not receive final, complete, and non-appealable Court approval for any reason, Defendant shall not be obligated to make any payments or provide any monetary or non-monetary relief to Plaintiff or the Settlement Class Members, any Attorneys' Fees or Expenses to Class Counsel, or any Service Award to the Plaintiff.

H. Termination of Agreement

Either Party shall have the right in her or its sole discretion to terminate this Agreement, declare it null and void, and have no further obligations under this Agreement if any of the following conditions occurs: (1) the Court requires or makes any modifications to this Settlement, the Preliminary Approval Order or the Final Approval Order that are deemed by any Party to be material, except as stated herein, and which modifications are not mutually agreed to by the Parties; (2) an appellate court vacates or reverses the Final Approval Order; (3) the Effective Date does not occur for any reason; or (4) any condition described in this Agreement, including any Exhibits, as a basis for termination or cancellation occurs.

In the event opt-outs exceed 3% of the Settlement Class, Defendant may, at its election, unilaterally terminate this Agreement.

I. Retention of Records

The Administrator shall retain all records relating to payment of claims under this Agreement for a period of five (5) years from the Effective Date. Those records shall be maintained in accordance with this Agreement as Confidential Information.

IV. EXCLUSIVE REMEDY/DISMISSAL OF CLAIMS/JURISDICTION

A. Exclusive Remedy; Permanent Injunction

Upon issuance of the Final Approval Order: (i) the Agreement shall be the exclusive remedy for any and all Settlement Class Members, except those who have properly requested exclusion (opted out) in accordance with the terms and provisions hereof; (ii) the Released Parties shall not be subject to liability or expense for any of the Released Claims to any Settlement Class Members; (iii) Settlement Class Members who have not opted out shall be permanently barred and enjoined from asserting any Released Claims in any action or from filing, commencing, prosecuting, intervening in, or participating in (as class members or otherwise) any action based on or relating to any of the Released Claims or the facts and circumstances relating thereto; and (iv) Settlement Class Members who have not opted out shall be permanently barred and precluded from organizing Settlement Class Members, or soliciting the participation of Settlement Class Members, for purposes of pursuing any action (including by seeking to amend a pending complaint to include class allegations, or seeking class certification in a pending or future action) based on or relating to any of the Released Claims or the facts and circumstances relating thereto.

B. Dismissal of Claims

The Parties agree that upon the Effective Date, the Action shall be dismissed with prejudice in accordance with the Final Approval Order and judgment shall be entered.

C. Continuing Jurisdiction of Court

The Court shall retain exclusive and continuing jurisdiction over this Action, the Parties, and this Agreement, with respect to the performance of the terms and conditions of this Agreement (and disputes arising out of or relating to this Agreement), the proper provision of all benefits, and the implementation and enforcement of its terms, conditions, and obligations.

V. RELEASES

Upon the Effective Date of this Agreement, the Released Parties shall be released and forever discharged by the Class Representative, the Settlement Class, and each Settlement Class Member from all Released Claims. The Settlement Class and each Settlement Class Member covenant and agree that they shall not hereafter seek to establish liability against any of the Released Parties based, in whole or in part, on any of the Released Claims. The Class Representatives, the Settlement Class, and each Settlement Class Member expressly waive and relinquish all rights which they may have under Section 1542 of the California Civil Code or any similar statute of any state or the United States. Section 1542 reads as follows:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

The Class Representative, the Settlement Class, and each Settlement Class Member may hereafter discover facts in addition to or different from those which they now know or believe to be true with respect to the subject matter of the Released Claims, but the Class Representative, the Settlement Class, and each Settlement Class Member, upon the Effective Date, shall be deemed to have, and by operation of the Final Approval Order, shall have, nevertheless, fully, finally, and forever waived, settled, and released any and all Released Claims, regardless of such subsequent discovery of additional or different facts.

Upon the Effective Date of this Agreement, the Released Parties shall be released and forever discharged by the Plaintiff for any and all claims that she may have against any of the Released Parties.

Upon issuance of the Final Approval Order, the Plaintiff, and all Settlement Class Members shall be permanently barred and enjoined from: (a) asserting any Released Claims in any action or

proceeding or from filing, commencing, prosecuting, intervening in, or participating in (as class members or otherwise) any action or proceeding based on any of the Released Claims; and (b) organizing Settlement Class Members, or soliciting the participation of Settlement Class Members, for purposes of pursuing any action or proceeding (including by seeking to amend a pending complaint to include class allegations, or seeking class certification in a pending or future action or proceeding) based on any of the Released Claims. Nothing in this Agreement shall preclude any action to enforce the terms of the Agreement.

This Agreement and the Releases herein do not affect the rights of Settlement Class Members who timely and properly submit a Request for Exclusion from the Settlement.

VI. COVENANTS, REPRESENTATIONS, AND WARRANTIES

Plaintiff and the Settlement Class Members covenant and agree: (a) not to assert any of the Released Claims in any action or proceeding and not to file, commence, prosecute, intervene in, or participate in (as class members or otherwise) any action or proceeding based on any of the Released Claims against any of the Released Parties; (b) not to organize or solicit the participation of Settlement Class Members in a separate class for purposes of pursuing any action or proceeding (including by seeking to amend a pending complaint to include class allegations, or seeking class certification in a pending or future action or proceeding) based on or relating to any of the Released Claims; and (c) that the foregoing covenants and this Agreement shall be a complete defense to any of the Released Claims against any of the Released Parties.

Plaintiff represents and warrants that: (a) she is the sole and exclusive owner of her own Released Claims; (b) she has not assigned or otherwise transferred any interest in any of the Released Claims against any of the Released Parties; (c) she will not assign or otherwise transfer any interest in any of the Released Claims; and (d) she, to the best of her knowledge, has no

surviving claim or cause of action against any of the Released Parties that is not being released by this Agreement.

Class Counsel represent and warrant that they know of no other persons with claims against Defendant who are not included in the Settlement Class and whose claims will not be released upon the Effective Date of this Agreement.

VII. MISCELLANEOUS PROVISIONS

A. Receipt of Advice of Counsel

Each Party acknowledges, agrees, and specifically warrants that he, she, or it has fully read this Agreement and the Release, received independent legal advice with respect to the advisability of entering into this Agreement and the Release and the legal effects of this Agreement and the Release, and fully understands the effect of this Agreement and the Release.

B. Cooperation to Facilitate this Settlement

The Parties agree that they shall work together in good faith to facilitate this Agreement, as well as undertake any required steps to effectuate the purposes and intent of this Agreement.

C. Representation by Counsel

The Parties represent and warrant that they have been represented by, and have consulted with, the counsel of their choice regarding the provisions, obligations, rights, risks, and legal effects of this Agreement and have been given the opportunity to review independently this Agreement with such legal counsel and agree to the particular language of the provisions herein.

D. No Admission of Liability

Nothing in this Agreement, or the Parties' willingness to enter into this Agreement, shall be construed as an admission by any person or entity, of any liability or wrongdoing of any Party, or of the truth of any allegations made by the Class Representative, on behalf of herself or the Settlement Class, against Defendant. Defendant expressly denies and disclaims any liability or

wrongdoing as to the Class Representative and the Settlement Class, and denies that class certification would have been appropriate in an adversarial context. The existence, contents, and terms of this Agreement, and any negotiations, statements, or proceedings in connection therewith, shall not be admissible as evidence for any purpose in any proceeding, except the Agreement may be used for purposes of enforcement of the Agreement's terms. This Agreement may also be used by the Released Parties as a full and complete defense to any action, suit, or other proceeding that has been or may be instituted, prosecuted, or attempted with respect to any of the Released Claims, and may be filed, offered, and received into evidence, and otherwise used for such defense.

E. Contractual Agreement

The Parties understand and agree that all terms of this Agreement are contractual and are not a mere recital, and each signatory warrants that he or she is competent and possesses the full and complete authority to execute and covenant to this Agreement on behalf of the Party that he or she represents.

F. Change of Time Periods

The time periods and/or dates described in this Agreement with respect to the giving of notices and hearings are subject to approval and change by the Court or by written agreement of Class Counsel and Counsel for Defendant, without further notice to Settlement Class Members. The Parties reserve the right, by agreement and subject to Court approval, to grant any reasonable extension of time that might be needed to carry out any of the provisions of this Agreement.

G. Integration

This Agreement constitutes a single, integrated written contract expressing the entire agreement of the Parties relative to the subject matter hereof. This Agreement supersedes all prior representations, agreements, understandings, both written and oral, among the Parties, or any of them, with respect to the subject matter of this Agreement. No covenants, agreements,

representations, or warranties of any kind whatsoever have been made by any Party hereto, except as provided for herein, and no Party is relying on any prior oral or written representations, agreements, understandings, or undertakings with respect to the subject matter of this Agreement.

H. Drafting

The Parties agree that no single Party shall be deemed to have drafted this Agreement, or any portion thereof, for purpose of the invocation of the doctrine of *contra proferentem*. This Agreement is a collaborative effort of the Parties and their respective attorneys.

I. Costs

Except as otherwise provided herein, each Party shall bear its own legal and other costs incurred in connection with the Released Claims, including the preparation and performance of this Agreement.

J. Modification or Amendment

This Agreement may not be modified or amended, nor may any of its provisions be waived, except by a writing signed by the Parties who executed this Agreement or their successors-in-interest.

K. No Waiver

The failure of a Party hereto to insist upon strict performance of any provision of this Agreement shall not be deemed a waiver of such Party's rights or remedies or a waiver by such Party of any default by another Party in the performance or compliance of any of the terms of this Agreement. In addition, the waiver by one Party of any breach of this Agreement by another Party shall not be deemed a waiver of any other prior or subsequent breach of this Agreement.

L. Severability

Should any part, term, or provision of this Agreement be declared or determined by any court or tribunal to be illegal or invalid, the Parties agree that the Court may modify such provision

to the extent necessary to make it valid, legal, and enforceable, if mutually agreed upon by the Parties. In any event, such provision shall, if mutually agreed upon, be separable and shall not limit or affect the validity, legality, or enforceability of any other provision hereunder. The claims-made structure of this Settlement is a material term and Defendant represents that they would not have agreed to the Settlement but for the claims-made structure.

M. No Violation of Law or Agreement

The execution, delivery, and performance of this Agreement by the Parties hereto does not and will not, conflict with, violate, result in a breach of, or cause a default under, (a) any applicable provision of any federal, state, or local law or regulation, (b) any provision of any order, arbitration award, judgment, or decree, or (c) any provision of any agreement or instrument applicable to the Parties.

N. Successors

This Agreement shall be binding upon and inure to the benefit of the heirs, successors, and assigns of the Parties hereto.

O. Choice of Law

All terms and conditions of this Agreement shall be governed by and interpreted according to the laws of the State of Florida, without reference to its conflict of law provisions. The adequacy of the settlement, any determination regarding Class Counsel's Attorneys' Fees and Expenses, and any Service Award shall be governed by Florida law.

P. Fair and Reasonable

The Parties and their counsel believe that this Agreement is a fair and reasonable compromise of the disputed claims and it is in the best interests of the Parties, and the Parties and their counsel have arrived at this Agreement as a result of extensive arms-length negotiations.

Q. Headings

All headings contained herein are for informational purposes only and do not constitute a substantive part of this Agreement. In the event of a dispute concerning the terms and conditions of this Agreement, the headings shall be disregarded.

R. Exhibits

The Exhibits to this Agreement are expressly incorporated and made part of the terms and conditions set forth herein.

S. Counterparts

This Agreement may be executed in one or more counterparts. All executed counterparts, and each of them, shall be deemed to be one and the same instrument provided that counsel for the Parties to this Agreement shall exchange among themselves original signed counterparts.

T. Facsimile and Electronic Mail

Transmission of a signed Agreement by facsimile or electronic mail shall constitute receipt of an original signed Agreement by mail.

U. Warranty of Signature

Each signer of this Agreement represents and warrants that he or she is authorized to execute this Agreement in his or her official capacity on behalf of the Party to this Agreement for which he or she is signing and that this Agreement is binding on the principal represented by that signatory.

V. No Assignment

Each Party represents and warrants that such Party has not assigned or otherwise transferred (via subrogation or otherwise) any right, title, or interest in or to any claims, causes of action, or demands which were or could have been, or ever could be asserted against any Party and that are released in this Agreement, or which were, could have been, or ever could be asserted against any Party. Any Party that breaches the representations and warranties set forth in this

Section shall indemnify and hold harmless each other Party, its parents, subsidiaries, and affiliates, and their respective owners, agents, attorneys, successors, heirs, assigns, administrators, officers, directors, employees, and all other persons acting in concert with them from any and every claim or demand of every kind or character arising out of a breach by any such breaching Party of its representations and warranties in this Section.

W. Confidentiality; Communications to Media and Public

The Parties agree that the terms of this Settlement shall remain confidential and not be disclosed by any Party, other than to Released Parties, until the Agreement is filed in connection with the Preliminary Approval Application. The Parties further agree that they will not issue any press releases, social media or website posting, and will not initiate contact with the press, respond to any press inquiry or have any communication with the press about the facts, settlement amount, or terms of the Settlement. The Parties and the Administrator will not be prevented from making required disclosures.

For the avoidance of any doubt, nothing in this Agreement prevents the Parties from making any disclosures required to effectuate this Agreement or from making any disclosures required by law.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be duly executed by themselves or by their duly authorized representatives:

EXHIBIT 2

IN THE CIRCUIT COURT OF THE
ELEVENTH JUDICIAL CIRCUIT, IN AND
FOR MIAMI-DADE COUNTY, FLORIDA

CAROLE DICKSON, individually and on
behalf of others similarly situated,

Plaintiff,

v.

LEAFFILTER NORTH, LLC,

Defendant.

Case No. 2025-005897-CA-01

**[PROPOSED] ORDER GRANTING FINAL APPROVAL TO
CLASS ACTION SETTLEMENT AND FINAL JUDGMENT**

On _____, 2025, the Court granted preliminary approval to the proposed class action settlement set forth in the Settlement Agreement and Release between Plaintiff Carole Dickson, on behalf of herself and all members of the Settlement Class, and Defendant LeafFilter North, LLC (“Defendant”) (collectively, the “Parties”). The Court also provisionally certified the Settlement Class for settlement purposes, approved the procedure for giving Class Notice to the members of the Settlement Class, and set a Final Approval Hearing.

On _____, the Court held a duly noticed Final Approval Hearing to consider: (1) whether the terms and conditions of the Settlement Agreement are fair, reasonable, and adequate; (2) whether a judgment should be entered dismissing the Plaintiff’s Complaint on the merits and with prejudice in favor of Defendant and against all persons or entities who are Settlement Class Members herein who have not requested exclusion from the Settlement Class; and (3) whether and in what amount to award counsel for the Settlement Class as Attorneys’ Fees and Expenses and whether and in what amount to award a Service Award to Plaintiff.

The Court has been advised that Settlement Class Members received direct Notice and notice via the Settlement Website. Additionally, no Settlement Class Member appeared at the hearing, and there have been no objections to the settlement.

NOW, THEREFORE, IT IS HEREBY ORDERED THAT:

I. JURISDICTION OF THE COURT

1. The Court has personal jurisdiction over the Parties and the Settlement Class Members, venue is proper, and the Court has subject matter jurisdiction to approve the Agreement, including all exhibits thereto, and to enter this Final Approval Order. Without in any way affecting the finality of this Final Approval Order, this Court hereby retains jurisdiction as to all matters relating to administration, consummation, enforcement, and interpretation of the Settlement Agreement and of this Final Approval Order, and for any other necessary purpose.

2. The Settlement Agreement was negotiated at arm's length by experienced counsel who were fully informed of the facts and circumstances of this litigation (the "Action") and of the strengths and weaknesses of their respective positions. The Settlement Agreement was reached after the Parties had engaged in an arms-length mediation and extensive settlement discussions and after the exchange of information, including information about the size and scope of the Settlement Class. Counsel for the Parties were well positioned to evaluate the benefits of the Settlement Agreement, taking into account the expense, risk, and uncertainty of protracted litigation.

3. The Court finds that the prerequisites for a class action under Fla. R. Civ. P. 1.220 have been satisfied for settlement purposes for each Settlement Class Member in that: (a) the number of Settlement Class Members is so numerous that joinder of all members is impracticable; (b) there are questions of law and fact common to the Settlement Class; (c) the claims of Plaintiff

are typical of the claims of the Settlement Class she seeks to represent; (d) Plaintiff has and will continue to fairly and adequately represent the interests of the Settlement Class; (e) the questions of law and fact common to the Settlement Class Members predominate over any questions affecting any individual Settlement Class Members; (f) the Settlement Class is ascertainable; and (g) a class adjudication is superior to the other available methods for the fair and efficient adjudication of the controversy.

II. CERTIFICATION OF SETTLEMENT CLASS

4. Pursuant to Fla. R. Civ. P. 1.220, this Court hereby finally certifies the Settlement Class, as identified in the Settlement Agreement: “All persons in the United States who (i) visited the website <https://www.allstarpros.com> between June 21, 2023 and October 31, 2023, (ii) submitted a phone number on the website <https://www.allstarpros.com>, (iii) did not submit a request to receive information relating to gutters, and (iv) received a telephone call from Defendant.” The Settlement Class excludes the following: (1) the trial judge presiding over this case; (2) Defendant, as well as any parent, subsidiary, affiliate, or control person of Defendant, and the officers, directors, agents, servants, or employees of Defendant; (3) any of the Released Parties; (4) the immediate family of any such person(s); (5) any Settlement Class Member who has timely opted out of this proceeding; and (6) Plaintiff’s Counsel, their employees, and their immediate family.

III. APPOINTMENT OF CLASS REPRESENTATIVE AND CLASS COUNSEL

5. The Court finally appoints Michael Eisenband of Eisenband Law, P.A. and Manuel S. Hiraldo of Hiraldo, P.A. as Class Counsel for the Settlement Class.

6. The Court finally designates Plaintiff Carole Dickson as the Class Representative.

IV. NOTICE AND CLAIMS PROCESS

7. The Court makes the following findings on notice to the Settlement Class:

(a) The Court finds that the distribution of the Class Notice, as provided for in the Settlement Agreement, (i) constituted the best practicable notice under the circumstances to Settlement Class Members, (ii) constituted notice that was reasonably calculated, under the circumstances, to apprise Settlement Class Members of, among other things, the pendency of the Action, the nature and terms of the proposed Settlement, their right to object or to exclude themselves from the proposed Settlement, and their right to appear at the Final Approval Hearing, (iii) was reasonable and constituted due, adequate, and sufficient notice to all persons entitled to be provided with notice, and (iv) complied fully with the requirements of Fla. R. Civ. P. 1.220, the United States Constitution, the rules of this Court, and any other applicable law.

(b) The Court finds that the Class Notice and methodology set forth in the Settlement Agreement and the Preliminary Approval Order (i) constitute the most effective and practicable notice available in light of the facts and circumstances; (ii) constitute due, adequate, and sufficient notice for all other purposes to all Settlement Class Members; and (iii) comply fully with the requirements of Fla. R. Civ. P. 1.220, the United States Constitution, the rules of this Court, and any other applicable laws.

V. FINAL APPROVAL OF THE CLASS ACTION SETTLEMENT

8. The Settlement Agreement is finally approved in all respects as fair, reasonable and adequate. The terms and provisions of the Settlement Agreement, including all Exhibits thereto, have been entered into in good faith and are hereby fully and finally approved as fair, reasonable, and adequate as to, and in the best interests of, each of the Parties and the Settlement Class Members.

VI. ADMINISTRATION OF THE SETTLEMENT

9. The Parties are hereby directed to implement the Settlement Agreement according to its terms and provisions. The Administrator is directed to provide Claim Settlement Payments to those Settlement Class Members who submit valid, timely, and complete Claims, to be paid from the Settlement Cap within the time period and manner set forth in the Settlement.

10. The Court hereby approves Class Counsel's request for attorney fees, costs, and expenses, and awards Class Counsel \$302,250 as reasonable attorneys' fees and costs. The award of Class Counsel's attorneys' fees and costs shall be paid from the Settlement Cap within the time period and manner set forth in the Settlement.

11. The Court hereby awards Class Counsel for their time incurred and expenses advanced. The Court has concluded that: (a) Class Counsel achieved a favorable result for the Class by obtaining Defendant's agreement to make significant funds available to Settlement Class Members, subject to submission of timely and valid claims by eligible Settlement Class Members; (b) Class Counsel devoted substantial effort to pre- and post-filing investigation, legal analysis, and litigation; (c) Class Counsel prosecuted the Settlement Class's claims on a contingent fee basis, investing significant time and accumulating costs with no guarantee that they would receive compensation for their services or recover their expenses; (d) Class Counsel employed their knowledge of and experience with class action litigation in achieving a valuable settlement for the Settlement Class, in spite of Defendant's possible legal defenses and its experienced and capable counsel; (e) Class Counsel have a standard contingent fee agreement with Plaintiff, who has reviewed the Settlement Agreement and was informed of Class Counsel's fee request and has approved; and (f) the Notice informed Settlement Class Members of the amount and nature of Class Counsel's fee and cost request under the Settlement, Class Counsel filed and posted their

Petition in time for Settlement Class Members to make a meaningful decision whether to object to the Class Counsel's fee request, and ____ Settlement Class Member(s) objected.

12. The Court awards a Service Award in the amount of \$7,500.00 to Plaintiff payable from the Settlement Cap within the time period and manner set forth in the Settlement Agreement.

VII. RELEASE OF CLAIMS

13. Upon entry of this Final Approval Order, all Settlement Class Members who did not validly and timely submit Requests for Exclusion in the manner provided in the Agreement shall, by operation of this Final Approval Order, have fully, finally and forever released, relinquished and discharged Defendant and the Released Parties from the Released Claims as set forth in the Settlement Agreement

14. Settlement Class Members who have not opted out shall be permanently barred and enjoined from asserting any Released Claims in any action or from filing, commencing, prosecuting, intervening in, or participating in (as class members or otherwise) any action based on or relating to any of the Released Claims or the facts and circumstances relating thereto; and Settlement Class Members who have not opted out shall be permanently barred and precluded from organizing Settlement Class Members, or soliciting the participation of Settlement Class Members, for purposes of pursuing any action (including by seeking to amend a pending complaint to include class allegations, or seeking class certification in a pending or future action) based on or relating to any of the Released Claims or the facts and circumstances relating thereto.

15. The terms of the Settlement Agreement and of this Final Approval Order, including all Exhibits thereto, shall be forever binding on, and shall have *res judicata* and preclusive effect in, all pending and future lawsuits maintained by Plaintiff and the Settlement Class Members, as well as their heirs, executors and administrators, successors, and assigns.

16. The Releases, which are set forth in the Settlement Agreement and which are also set forth below, are expressly incorporated herein in all respects and are effective as of the date of this Final Approval Order; and the Released Parties (as that term is defined below and in the Settlement Agreement) are forever released, relinquished, and discharged by the Plaintiff and the Settlement Class Members from all Released Claims (as that term is defined in the Settlement Agreement).

(a) The Settlement Agreement and Releases do not affect the rights of Settlement Class Members who timely and properly submit a Request for Exclusion from the Settlement in accordance with the requirements of the Settlement Agreement.

(b) The administration and consummation of the Settlement as embodied in the Settlement Agreement shall be under the authority of the Court. The Court shall retain jurisdiction to protect, preserve, and implement the Settlement Agreement, including, but not limited to, enforcement of the Releases. The Court expressly retains jurisdiction in order to enter such further orders as may be necessary or appropriate in administering and implementing the terms and provisions of the Settlement Agreement.

(c) The Settlement Agreement shall be the exclusive remedy for any and all Settlement Class Members, except those who have properly requested exclusion (opted out), and the Released Parties shall not be subject to liability or expense for any of the Released Claims to any Settlement Class Member(s).

(d) The Releases shall not preclude any action to enforce the terms of the Settlement Agreement. The Releases set forth herein and in the Settlement Agreement are not intended to include the release of any rights or duties of the Parties arising out of the Settlement Agreement, including the express warranties and covenants contained therein.

17. Plaintiff and all Settlement Class Members who did not timely exclude themselves from the Settlement Class are, from this day forward, hereby permanently barred and enjoined from directly or indirectly: (i) asserting any Released Claims in any action or proceeding; (ii) filing, commencing, prosecuting, intervening in, or participating in (as class members or otherwise), any lawsuit based on or relating to any the Released Claims or the facts and circumstances relating thereto; or (iii) organizing any Settlement Class Members, or soliciting the participation of Settlement Class Members, for purposes of pursuing any action or proceeding (including by seeking to amend a pending complaint to include class allegations, or seeking class certification in a pending or future action or proceeding) based on any of the Released Claims or the facts and circumstances relating thereto.

VIII. NO ADMISSION OF LIABILITY

18. Neither the Settlement Agreement, nor any of its terms and provisions, nor any of the negotiations or proceedings connected with it, nor any of the documents or statements referred to therein, nor this Final Approval Order, nor any of its terms and provisions, shall be:

(a) offered by any person or received against Defendant or any Released Party as evidence of, or construed as or deemed to be evidence of, any presumption, concession, or admission by Defendant of the truth of the facts alleged by any person, the validity of any claim (including the propriety of class certification in an adversarial context) that has been or could have been asserted in the Action or in any other litigation or judicial or administrative proceeding, the deficiency of any defense that has been or could have been asserted in the Action or in any litigation, or of any liability, negligence, fault, or wrongdoing by Defendant or any Released Party;

(b) offered by any person or received against Defendant or any Released Party as evidence of a presumption, concession, or admission of any fault or violation of any law by Defendant or any Released Party; or

(c) offered by any person or received against Defendant or any Released Party as evidence of a presumption, concession, or admission with respect to any liability, negligence, fault, or wrongdoing in any civil, criminal, or administrative action or proceeding.

IX. OTHER PROVISIONS

19. All undistributed funds—that is, funds not used to pay the Claim Settlement Payments, Notice and Administrative Costs, Service Award, and Attorneys’ Fees and Expenses—and uncashed checks will remain with Defendant.

20. This Final Approval Order and the Settlement Agreement (including the Exhibits thereto) may be filed in any action against or by any Released Party (as that term is defined in the Settlement Agreement) to support a defense of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any theory of claim preclusion or issue preclusion or similar defense or counterclaim.

21. Without further order of the Court, the Settling Parties may agree to reasonably necessary extensions of time to carry out any of the provisions of the Settlement Agreement.

22. In the event that the Effective Date does not occur, this Final Approval Order shall automatically be rendered null and void and shall be vacated and, in such event, all orders entered in connection herewith shall be null and void. In the event that the Effective Date does not occur, the Settlement Agreement shall become null and void and be of no further force and effect, neither the Settlement Agreement nor the Court’s Orders, including this Order, shall be used or referred to for any purpose whatsoever, and the Parties shall retain, without prejudice, any and all objections, arguments, and defenses with respect to class certification, including the right to argue that no class should be certified for any purpose, and with respect to any claims or allegations in this Action.

23. This Action, including all individual claims and class claims presented herein, is hereby dismissed on the merits and with prejudice against Plaintiff and all other Settlement Class Members, without fees or costs to any party except as otherwise provided herein. Finding that there is no just reason for delay, the Court orders that this Final Approval Order shall constitute a final judgment.

BASIC INFORMATION

1. Why is there a Notice?

A court authorized this Notice because you have a right to know about a proposed Settlement of a class action lawsuit known as ***Dickson v. LeafFilter North, LLC*** in the Circuit Court of the Eleventh Judicial Circuit in and for Miami-Dade County (the “Action”), and about all of your options before the Court decides whether to give Final Approval to the Settlement. This Notice explains the lawsuit, the Settlement, and your legal rights.

Hon. Beatrice Butchko a Judge of the Eleventh Judicial Circuit in and for Miami-Dade County, Florida is overseeing this case. The person who sued, Carole Dickson, is called the “Plaintiff” or Class Representative”. LeafFilter North, LLC is called the “Defendant”.

2. What is this litigation about?

The lawsuit alleges that Defendant made telephone calls in violation of the Telephone Consumer Protection Act’s prerecorded call restrictions and do-not-call regulations, 47 U.S.C. § 227(b)(1) and 47 C.F.R. § 64.1200(c)(2), and seeks actual and statutory damages under the TCPA on behalf of Plaintiff and a class of all individuals in the United States.

Defendant denies each and every allegation of wrongdoing, liability, and damages that were or could have been asserted in the litigation and denies that the claims in the Action would be appropriate for class treatment if the litigation were to proceed.

The Plaintiff’s Complaint, Settlement Agreement, and other case-related documents are posted on the Settlement Website, www.GutterTCPASettlement.com. The Settlement resolves the Action. The Court has not decided who is right.

3. What is the TCPA?

The Telephone Consumer Protection Act (commonly referred to as the “TCPA”) is a federal law that restricts, among other things, certain prerecorded telephone calls and calls to individuals on the national do-not-call registry without consent.

4. Why is this a class action?

In a class action, one person called the “Class Representative” (in this case, Plaintiff) sues on behalf of themselves and other people with similar claims.

All of the people who have claims similar to the Plaintiff’s, as defined in the Settlement and detailed herein, are Settlement Class Members, except for those who exclude themselves from the class, among others.

5. Why is there a settlement?

The Court has not found in favor of either Plaintiff or Defendant. Instead, both sides have agreed to a Settlement. By agreeing to the Settlement, the Parties avoid the costs and uncertainty of a trial, and if the Settlement is approved by the Court, Settlement Class Claimants will receive the benefits described in this Notice. Defendant denies all legal claims in this case, and denies that class certification would

be appropriate outside of the settlement context. Plaintiff and his lawyers think the proposed Settlement is best for everyone who is affected.

WHO IS PART OF THE SETTLEMENT?

6. Who is included in the Settlement?

The Settlement Class is defined as:

All persons in the United States who (i) visited the website <https://www.allstarpros.com> between June 21, 2023 and October 31, 2023, (ii) submitted a phone number on the website <https://www.allstarpros.com>, (iii) did not submit a request to receive information relating to gutters, and (iv) received a telephone call from Defendant.

Persons meeting this definition are referred to collectively as the “Settlement Class” and, individually, as a “Settlement Class Member.”

The Settlement Class excludes the following: (1) the trial judge presiding over this case; (2) Defendant, as well as any parent, subsidiary, affiliate, or control person of Defendant, and the officers, directors, agents, servants, or employees of Defendant; (3) any of the Released Parties; (4) the immediate family of any such person(s); (5) any Settlement Class Member who has timely opted out of this proceeding; and (6) Plaintiff’s Counsel, their employees, and their immediate family.

7. What if I am not sure whether I am included in the Settlement?

If you are not sure whether you are in the Settlement Class or have any other questions about the Settlement, visit the Settlement Website at www.GutterTCPASettlement.com or call the toll-free number, 1-xxx-xxx-xxxx. You also may send questions to the Settlement Administrator at Gutter TCPA Settlement Administrator, P.O. Box XXXX, XXXX, XX XXXX.

THE SETTLEMENT BENEFITS

8. What does the Settlement provide?

To fully settle and release claims of the Settlement Class Members, Defendant has agreed to make available a Settlement Cap of up to \$975,000 to pay Settlement Class Members who submit a timely and valid Claim Form, Notice and Administrative Costs (up to \$50,000, after which such costs are borne by Class Counsel), Attorneys’ Fees and Expenses awarded to Class Counsel for the Settlement Class, and a Service Award awarded to the named Plaintiff. Each Settlement Class Member who submits a timely, valid, correct, and verified Claim Form by the Claim Deadline in the manner required by this Agreement, making all the required affirmations and representations, shall be sent a Claim Settlement Check by the Administrator up to [XXXX], less a pro rata share of Notice and Administrative Costs, Attorneys’ Fees and Expenses and any Service Award. Settlement Class Claimants will be sent their Claim Settlement Payments to the address they submitted on their Claim Form within XX days following the Effective Date.

9. How do I file a Claim?

If you qualify for a payment, you must complete and submit a valid Claim Form. You may access or download a Claim Form at the Settlement Website, www.GutterTCPASettlement.com, or request a

Claim Form by calling the Settlement Administrator at the toll-free number below. To be valid, a Claim Form must be completed fully and accurately and submitted timely. One claim is allowed per Settlement Class Member.

You must submit a Claim Form by U.S. mail or through the Settlement Website, and it must be postmarked by or submitted online by [DATE].

Please read the Claim Form carefully and provide all the information required. Only one Claim Form may be submitted per Settlement Class Member.

10. When will I receive my check?

Payments in the form of a check to Settlement Class Claimants will be made only after the Court grants Final Approval to the Settlement and after any appeals are resolved (*see* “Final Approval Hearing” below). If there are appeals, resolving them can take time. Please be patient.

EXCLUDING YOURSELF FROM THE SETTLEMENT

If you do not want benefits from the Settlement, and you want to keep the right to sue or continue to sue Defendant on your own about the legal issues in this case, then you must take steps to get out of the Settlement. This is called excluding yourself—or it is sometimes referred to as “opting out” of the Settlement Class.

11. How do I get out of the Settlement?

To exclude yourself from the Settlement, you must send a timely letter by mail to:

Gutter TCPA Settlement Administrator

P.O. Box XXXX

XXXX, XX XXXX

To opt-out, a Settlement Class Member must complete and send to the Administrator, at the address above, a Request for Exclusion that is postmarked no later than the [OPT OUT DEADLINE]. The Request for Exclusion must: (a) identify the case name; (b) identify the name, address, and telephone number of the Settlement Class Member; (c) identify the telephone number that received the call(s) at issue; (d) be personally signed by the Settlement Class Member requesting exclusion; and (e) contain a statement that indicates a desire to be excluded from the Settlement Class in the Action, such as: “I request that I be excluded from the proposed Settlement Class.”

You cannot ask to be excluded on the phone, by email, or at the Settlement Website. No mass or class opt outs are permitted.

You may opt out of the Settlement Class only for yourself.

12. If I do not exclude myself, can I sue Defendant for the same thing later?

No. Unless you exclude yourself, you give up the right to sue Defendant and the Released Parties for the Released Claims. You must exclude yourself from this Settlement Class in order to pursue your own lawsuit.

13. What am I giving up to stay in the Settlement Class?

QUESTIONS? CALL 1-xxx-xxx-xxxx OR VISIT
www.GutterTCPASettlement.com

Unless you opt out of the Settlement, you cannot sue or be part of any other lawsuit against Defendant or the Released Parties about or relating to the issues in this case and the Released Claims, including any existing litigation, arbitration, or proceeding. Unless you exclude yourself, all of the decisions and judgments by the Court will bind you.

The Settlement Agreement is available at www.GutterTCPASettlement.com. The Settlement Agreement provides more detail regarding the Released Claims and Released Parties and describes the Released Claims with specific descriptions in necessary, accurate legal terminology, so read it carefully. You can talk to the law firms representing the Settlement Class listed in Question 15 at no charge to you, or you can, at your own expense, talk to your own lawyer if you have any questions about the Released Claims or what they mean.

14. If I exclude myself, can I still get a payment?

No. You will not get a Claim Settlement Payment if you exclude yourself from the Settlement.

THE LAWYERS REPRESENTING YOU

15. Do I have a lawyer in the case?

The Court has appointed the following lawyers as “Class Counsel” to represent all Settlement Class Members.

Michael Eisenband, Esq.
Eisenband Law, P.A.
515 E Las Olas Blvd. Suite 120
Fort Lauderdale, Florida 33301

Manuel S. Hiraldo, Esq.
Hiraldo P.A.
401 E. Las Olas Boulevard, Suite 1400
Ft. Lauderdale, Florida 33301

You will not be charged for these lawyers. If you want to be represented by another lawyer, you may hire one to appear in Court for you at your own expense.

16. How will the lawyers be paid?

Class Counsel intend to request up to \$302,250 of the Settlement Cap for Attorneys’ Fees and Expenses, which will include the reimbursement of reasonable, actual out-of-pocket expenses incurred in the Action. The fees and expenses awarded by the Court will be paid out of the Settlement Cap. The Court will decide the amount of fees and expenses to award.

Class Counsel will also request a Service Award of up to \$7,500.00 for Plaintiff for her service as Class Representative on behalf of the whole Settlement Class. Any Service Award will be paid out of the Settlement Cap. The Court will decide the amount of any Service Award to award.

OBJECTING TO THE SETTLEMENT

17. How do I tell the Court if I do not like the Settlement?

QUESTIONS? CALL 1-xxx-xxx-xxxx OR VISIT
www.GutterTCPASettlement.com

If you are a Settlement Class Member (and do not exclude yourself from the Settlement Class), you can object to any part of the Settlement. To object, you must timely submit a letter that includes the following:

- a. the name of the Action;
- b. the objector's full name, address, and telephone number;
- c. an explanation of the basis upon which the objector claims to be a Settlement Class Member, including the telephone number at which the call(s) at issue were received;
- d. all grounds for the objection, accompanied by any legal support for the objection known to the objector or his counsel;
- e. the number of times in which the objector has objected to a class action settlement within the five years preceding the date that the objector files the objection, the caption of each case in which the objector has made such an objection, and a copy of any orders related to or ruling upon the objector's prior such objections that were issued by the trial and appellate courts in each listed case;
- f. the identity of all counsel who represent the objector, including any former or current counsel who may be entitled to compensation for any reason related to the objection to the Settlement and/or application for Attorneys' Fees and Expenses and/or Service Award;
- g. a copy of any orders related to or ruling upon counsel's or the counsel's law firm's prior objections made by individuals or organizations represented by the counsel or the counsel's law firm(s) that were issued by the trial and appellate courts in each listed case in which the objector's counsel and/or counsel's law firm have objected to a class action settlement within the preceding five years;
- h. any and all agreements that relate to the objection or the process of objecting—whether written or oral—between objector or objector's counsel and any other person or entity;
- i. the identity of all counsel (if any) representing the objector who will appear at the Final Approval Hearing;
- j. a statement confirming whether the objector intends to personally appear and/or testify at the Final Approval Hearing;
- k. a list of all persons who will be called to testify at the Final Approval Hearing in support of the objection; and
- l. the objector's signature (an attorney's signature is not sufficient).

If you wish to object, you must file your objection with the Court (using the Court's electronic filing system or in any manner in which the Court accepts filings) and mail your objection to each of the following three (3) addresses, and your objection must be postmarked by **XXXXXXXXXX**.

Clerk of the Court	Class Counsel	Defendants' Counsel
Eleventh Judicial Circuit Miami-Dade County 73 W. Flagler Street, Room 133 Miami, FL 33130	Manuel Hiraldo, Esq. Gray Robinson, P.A. 333 SE 2nd Avenue Suite 3200 Miami, Florida 33131

No mass or class objections will be permitted. Subject to approval by the Court, any Settlement Class Member who files and serves a written objection in accordance with this Section may appear, in person or by counsel, at the Final Approval Hearing held by the Court, to show cause why the Settlement should not be approved as fair, adequate, and reasonable, but only if the objecting Settlement Class Member: (a) files with the Court a Notice of Intention to Appear at the Final Approval Hearing by the Objection Deadline, meeting the requirements set forth herein and in the Settlement; and (b) serves the Notice of Intention to Appear on Class Counsel and Counsel for Defendant by the Objection Deadline.

18. What is the difference between objecting and asking to be excluded?

Objecting is telling the Court that you do not like something about the Settlement. You can object to the Settlement only if you do not exclude yourself. Excluding yourself is telling the Court that you do not want to be part of the Settlement. If you exclude yourself, you have no basis to object to the Settlement because it no longer affects you.

THE FINAL APPROVAL HEARING

The Court will hold a hearing to decide whether to approve the Settlement and any requests for Attorneys' Fees and Expenses and Service Award ("Final Approval Hearing").

19. When and where will the Court decide whether to approve the Settlement?

The Court has scheduled a Final Approval Hearing on **xxxxxxx at xxx a.m. at the xxxxxxxxxxxxxxxx**. The hearing may be moved to a different date or time without additional notice, so it is a good idea to check www.GutterTCPASettlement.com for updates. At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. The Court will also consider the requests by Class Counsel for Attorneys' Fees and Expenses and for a Service Award to the Class Representative. If there are objections, the Court will consider them at that time. After the hearing, the Court will decide whether to approve the Settlement. It is unknown how long these decisions will take.

20. Do I have to attend the hearing?

No. Class Counsel will answer any questions the Court may have. But you are welcome to attend the hearing at your own expense. If you send an objection, you do not have to come to Court to talk about it. As long as you submitted your written objection on time and in the manner set forth herein and it

complies with all the other requirements set forth above, the Court will consider it. You may also pay your own lawyer to attend the hearing, but it is not necessary.

21. May I speak at the hearing?

You may ask the Court for permission to speak at the Final Approval Hearing. To do so, your timely filed objection must include a statement of whether you intend to appear at the Final Approval Hearing and you must meet the requirements set forth herein and in the Settlement for a Notice of Intention to Appear (*see* Question 17 above).

You cannot speak at the hearing if you exclude yourself from the Settlement.

IF YOU DO NOTHING

22. What happens if I do nothing at all?

If you are a Settlement Class Member and do nothing, meaning you do not file a timely and valid Claim, you will not get benefits from the Settlement. Further, unless you exclude yourself, you will be bound by the judgment entered by the Court whether or not you submit a timely and valid Claim.

**If You Received a PHONE CALL from LEAFFILTER NORTH, LLC,
You May Be Entitled to a Payment from a Class Action Settlement**

A Settlement has been reached in a class action lawsuit about whether LeafFilter North, LLC. (“Defendant”) allegedly made phone calls in violation of the Telephone Consumer Protection Act (“TCPA”) by making prerecorded telephone calls and calls to persons on the national do-not-call registry, without proper consent. Defendant denies the allegations and any wrongdoing. The Court has not decided who is right.

Who’s Included?

Settlement Class: All persons in the United States who (i) visited the website <https://www.allstarpros.com> between June 21, 2023 and October 31, 2023, (ii) submitted a phone number on the website <https://www.allstarpros.com>, (iii) did not submit a request to receive information relating to gutters, and (iv) received a telephone call from Defendant. The Settlement Class excludes the following: (1) the trial judge presiding over this case; (2) Defendant, as well as any parent, subsidiary, affiliate, or control person of Defendant, and the officers, directors, agents, servants, or employees of Defendant; (3) any of the Released Parties; (4) the immediate family of any such person(s); (5) any Settlement Class Member who has timely opted out of this proceeding; and (6) Plaintiff’s Counsel, their employees, and their immediate family.

What Are the Settlement Terms? Defendant shall make available up to \$975,000 in cash (the “Settlement Cap”) for payment of Claim Settlement Payments, Notice and Administrative Costs, Attorneys’ Fees and Expenses and any Service Award. Each Settlement Class Member who submits a timely and valid claim form shall be paid a claim of no more than the amount equal to the Settlement Cap divided by the number of individuals on the Class List, less each Settlement Class Member’s pro rata share of the Notice and Administration costs, Attorney’s Fees and Costs and Incentive Award. Defendant need not segregate funds or otherwise create special accounts to hold the Settlement Cap and will not relinquish control of any money until payments are due as set forth in the Settlement Agreement. The parties agree that undistributed funds—that is, funds not used to pay the Claim Settlement Payments, Notice and Administrative Costs, Service Award, and Attorneys’ Fees and Expenses—and uncashed checks will remain with Defendant.

How Can I Get a Payment? To get a payment, you must submit a valid Claim Form by U.S. mail or online at www.GutterTCPASettlement.com. A Claim Form is attached to this Notice which you can sign and mail. You may also submit a claim online at www.GutterTCPASettlement.com by using the Claim ID No. on the front of this postcard and a phone number appearing on the Class List. You can also download a Claim Form online at www.GutterTCPASettlement.com or call the Settlement Administrator at the toll-free number below to request a Claim Form. To be valid, a Claim Form must be completed fully and accurately, signed, and be submitted timely. If you send in a Claim Form by regular mail, it must be postmarked on or before **XX/XX/XXXX**. The deadline to file a Claim online is 11:59 **pm. EST on XX/XX/XXXX**. Only one Claim Form may be submitted per Settlement Class Member, regardless of how many calls were received by the Settlement Class Member.

Your Other Options. If you do not want to be legally bound by the Settlement, you must exclude yourself by **XX/XX/XXXX**. If you do not exclude yourself, you will release any claims you may have regardless of whether you file a timely and valid Claim, as more fully described in the Settlement Agreement, available at the Settlement Website. If there is something that you do not like about the Settlement, and you do not exclude yourself, you may also object to the Settlement by **XX/XX/XXXX**. The Long Form Notice available on the Settlement Website www.GutterTCPASettlement.com explains how to exclude yourself or object. The Court will hold a Final Approval Hearing on **XX/XX/XXXX** to consider whether to approve the Settlement, Class Counsel’s request for Attorneys’ Fees and Expenses of up to \$302,250 and Class Counsel’s request for a Service Award of up to \$7,500 to the Class Representative. You may appear at the hearing, either personally or through an attorney you hire, but you don’t have to. If you wish to appear and you have filed an objection, you must also file a Notice of Intention to Appear as detailed in the Settlement. IN THE CIRCUIT COURT OF THE
ELEVENTH JUDICIAL CIRCUIT, IN AND
FOR MIAMI-DADE COUNTY, FLORIDA

CAROLE DICKSON, individually and on
behalf of those similarly situated

Plaintiff,

v.

LEAFFILTER NORTH, LLC.

Defendant.

Case No. 2025-005897-CA-01

**[PROPOSED] ORDER PRELIMINARILY APPROVING CLASS ACTION
SETTLEMENT AND CERTIFYING THE SETTLEMENT CLASS**

Plaintiff, Carole Dickson (“Plaintiff” or “Class Representative”), on behalf of herself and a class of other similarly situated individuals, and Defendant LeafFilter North, LLC has agreed to settle this Action pursuant to the terms and conditions set forth in an executed Settlement Agreement and Release. Under the Settlement, subject to the terms and conditions therein and subject to Court approval, Plaintiff and the proposed Settlement Class will fully, finally, and forever resolve, discharge, and release their claims.

The Settlement has been filed with the Court, and Plaintiff and Class Counsel have filed an Unopposed Motion for Preliminary Approval of Class Settlement. Upon considering the Motion, the Settlement and all exhibits thereto, the record in these proceedings, the representations and recommendations of counsel, and the requirements of law, the Court finds that: (1) this Court has jurisdiction over the subject matter and the Parties to this Action; (2) the proposed Settlement Class meets the requirements of Florida Rule of Civil Procedure 1.220 and should be preliminarily certified for settlement purposes only; (3) the persons and entities identified below should be preliminarily appointed Class Representative and Class Counsel; (4) the Settlement is the result of

informed, good-faith, arm's-length negotiations between the Parties and their capable and experienced counsel, and is not the result of collusion; (5) the Settlement is within the range of reasonableness and should be preliminarily approved; (6) the proposed Notice program and proposed forms of Notice satisfy Florida Rule of Civil Procedure 1.220 and constitutional due process requirements, and are reasonably calculated under the circumstances to apprise the Settlement Class of the pendency of the Action, preliminary class certification, the terms of the Settlement, Class Counsel's application for an award of Attorneys' Fees and Expenses ("Fee Application") and request for a Service Award for Plaintiff, and their rights to opt-out of the Settlement Class or object to the Settlement, Class Counsel's Fee Application, and/or the request for Service Award for Plaintiff; (7) good cause exists to schedule and conduct a Final Approval Hearing to assist the Court in determining whether to grant Final Approval of the Settlement and enter the Final Approval Order, and whether to grant Class Counsel's Fee Application and request for a Service Award for Plaintiff; and (8) the other related matters pertinent to the Preliminary Approval of the Settlement should also be approved.

Based on the foregoing, **IT IS HEREBY ORDERED AND ADJUDGED** as follows:

1. As used in this Preliminary Approval Order, unless otherwise noted, capitalized terms shall have the definitions and meanings accorded to them in the Settlement Agreement.
2. The Court has jurisdiction over the subject matter and Parties to this proceeding pursuant to Florida Rule of Civil Procedure 1.220 and Fla. Stat. § 26.012(2).
3. Venue is proper in this Court.

Provisional Class Certification and Appointment of Class Representative and Class Counsel

4. It is well established that "[a] class may be certified solely for purposes of settlement [if] a settlement is reached before a litigated determination of the class certification

issue.” *Borcea v. Carnival Corp.*, 238 F.R.D. 664, 671 (S.D. Fla. 2006) (internal quotation marks omitted). In deciding whether to provisionally certify a settlement class, a court must consider the same factors it would consider in connection with a proposed litigation class – *i.e.*, all Fla. R. Civ. P. 1.220(a) factors and at least one subsection of Fla. R. Civ. P. 1.220(b) must be satisfied – except that the Court need not consider the manageability of a potential trial, since the settlement, if approved, would obviate the need for a trial. *Id.*; *see also Amchem Products, Inc. v. Windsor*, 521 U.S. 591, 620 (1997).

5. The Court finds, for settlement purposes, that the Florida Rule of Civil Procedure 1.220 factors are present and that certification of the proposed Settlement Class is appropriate under Rule 1.220. The Court therefore provisionally certifies the following Settlement Class.

Settlement Class: All persons in the United States who (i) visited the website <https://www.allstarpros.com> between June 21, 2023 and October 31, 2023, (ii) submitted a phone number on the website <https://www.allstarpros.com>, (iii) did not submit a request to receive information relating to gutters, and (iv) received a telephone call from Defendant.

The Settlement Class excludes the following: (1) the trial judge presiding over this case; (2) Defendant, as well as any parent, subsidiary, affiliate, or control person of Defendant, and the officers, directors, agents, servants, or employees of Defendant; (3) any of the Released Parties; (4) the immediate family of any such person(s); (5) any Settlement Class Member who has timely opted out of this proceeding; and (6) Plaintiff’s Counsel, their employees, and their immediate family.

6. Specifically, the Court finds, for settlement purposes and conditioned on final certification of the proposed class and on the entry of the Final Approval Order, that the Settlement Class satisfies the following factors of Florida Rule of Civil Procedure 1.220:

(a) Numerosity: In the Action, approximately 5,000 individuals are members of the proposed Settlement Class. The proposed Settlement Class is thus so numerous that joinder of all members is impracticable.

(b) Commonality: “[C]ommonality requires the plaintiff to demonstrate that the class members ‘have suffered the same injury,’” and the plaintiff’s common contention “must be of such a nature that it is capable of classwide resolution – which means that determination of its truth or falsity will resolve an issue that is central to the validity of each one of the claims in one stroke. *Wal-Mart Stores, Inc. v. Dukes*, 131 S. Ct. 2541, 2551 (2011) (citation omitted); *see also Sosa v. Safeway Premium Fin. Co.*, 73 So. 3d 91, 107 (Fla. 2011) (“The primary concern in the consideration of commonality is whether the representative’s claim arises from the same practice or course of conduct that gave rise to the remaining claims and whether the claims are based on the same legal theory.”). Here, the commonality requirement is satisfied. Multiple questions of law and fact centering on Defendant’s class-wide practices are common to the Plaintiff and the Settlement Class, are alleged to have injured all members of the Settlement Class in the same way, and would generate common answers central to the viability of the claims were this case to proceed to trial.

(c) Typicality: The Plaintiff’s claims are typical of the Settlement Class because they concern the same alleged Defendant’s practices, arise from the same legal theories, and allege the same types of harm and entitlement to relief. Rule 1.220(a)(3) is therefore satisfied. *See Sosa*, 73 So. 3d at 114 (typicality satisfied where “the class representative possesses the same legal interest and has endured the same legal injury as the class members.”).

(d) Adequacy: Adequacy under Rule 1.220 relates to: (1) whether class counsel possesses the necessary “qualifications, experience, and ability” to conduct the litigation; and

(2) “whether the class representative’s interests are antagonistic to the interests of the class members.” *Id.* at 115. . Here, adequacy is satisfied because there are no conflicts of interest between the Plaintiff and the Settlement Class, and Plaintiff has retained competent counsel to represent them and the Settlement Class. Class Counsel regularly engage in consumer class litigation, complex litigation, and other litigation similar to this Action, and have dedicated substantial resources to the prosecution of the Action. Moreover, the Plaintiff and Class Counsel have vigorously and competently represented the Settlement Class in the Action. *See generally Lyons v. Georgia-Pacific Corp. Salaried Employees Rel. Plan*, 221 F.3d 1235, 1253 (11th Cir. 2000).

(e) Predominance and Superiority: Rule 1.220 is satisfied because the common legal and alleged factual issues here predominate over individualized issues, and resolution of the common issues for the members of the Settlement Class in a single, coordinated proceeding is superior to thousands of individual lawsuits addressing the same legal and factual issues. With respect to predominance, under Rule 1.220(b)(3), “a class representative establishes predominance if he or she demonstrates a reasonable methodology for generalized proof of class-wide impact[,]” meaning that “by proving his or her own individual case, necessarily proves the cases of the other class members.” *Sosa*, 73 So. 3d at 112. This does not mean that all issues or elements of a cause of action are subject to common proof, but merely that “some questions are common, and that they predominate over individual questions.” *Id.* Here, common questions present a significant aspect of the case and can be resolved for all members of the Settlement Class in a single adjudication. In a liability determination, those common issues would predominate over any issues that are unique to individual members of the Settlement Class. Moreover, superiority of class treatment is clearly established because: (i) given the relatively

small amount of per-claimant damages (\$500.00), class litigation is the only economically viable form of adjudication, (ii) individually litigating and incurring the expenses necessary to do so is not economically justifiable, (iii) class treatment of this litigation is manageable. *Id.* at 116 (explaining that the factors relevant to the superiority analysis are “(1) whether a class action would provide the class members with the only economically viable remedy; (2) whether there is a likelihood that the individual claims are large enough to justify the expense of separate litigation; and (3) whether a class action cause of action is manageable.”).

7. The Court appoints Plaintiff Carole Dickson, as the Class Representative.

8. The Court appoints the following attorneys and firms as Class Counsel: Michael Eisenband of Eisenband Law, P.A. and Manuel S. Hiraldo of Hiraldo, P.A.

9. The Court recognizes that Defendant reserves all of its defenses and objections against and rights to oppose any request for class certification in the event that the proposed Settlement does not become Final for any reason. Defendant also reserves its defenses to the merits of the claims asserted in the event the Settlement does not become Final for any reason.

Preliminary Approval of the Settlement

10. At the preliminary approval stage, the Court’s task is to evaluate whether the Settlement is within the “range of reasonableness.” 4 *Newberg on Class Actions* § 11.26. “Preliminary approval is appropriate where the proposed settlement is the result of the parties’ good faith negotiations, there are no obvious deficiencies and the settlement falls within the range of reason.” *Smith v. Wm. Wrigley Jr. Co.*, 2010 WL 2401149, at *2 (S.D. Fla. Jun. 15, 2010). Settlement negotiations that involve arm’s length, informed bargaining with the aid of experienced counsel support a preliminary finding of fairness. *See Manual for Complex Litigation*, Third, § 30.42 (West 1995) (“A presumption of fairness, adequacy, and reasonableness may attach to a

class settlement reached in arm's-length negotiations between experienced, capable counsel after meaningful discovery.”) (internal quotation marks omitted).

11. The Court preliminarily approves the Settlement, including the structure of the Settlement and Settlement Cap, as fair, reasonable, and adequate. The Court finds that the Settlement was reached in the absence of collusion, is the product of informed, good-faith, arm's-length negotiations between the Parties and their capable and experienced counsel. The Court further finds that the Settlement, including the exhibits thereto, is within the range of reasonableness and possible judicial approval, such that: (a) a presumption of fairness is appropriate for the purposes of preliminary settlement approval; and (b) it is appropriate to effectuate notice to the Settlement Class, as set forth below and in the Settlement, and schedule a Final Approval Hearing to assist the Court in determining whether to grant Final Approval to the Settlement and enter a Final Approval Order.

Approval of Class Notice and the Claims Process

12. The Court approves the form and content of the Class Notice, substantially in the forms attached to the Settlement, as well as the Claim Form attached thereto. The Court further finds that the Class Notice program described in the Settlement is the best practicable under the circumstances. The Class Notice program is reasonably calculated under the circumstances to inform the Settlement Class of the pendency of the Action, certification of a Settlement Class, the terms of the Settlement Agreement, Class Counsel's Fee Application and the request for a Service Award for Plaintiff, and their rights to opt-out of the Settlement Class or object to the Settlement. The Class notices and Class Notice program constitute sufficient notice to all persons entitled to notice. The Class notices and Class Notice program satisfy all applicable requirements of law, including, but not limited to, Florida Rule of Civil Procedure 1.220 and the Constitutional

requirement of Due Process.

13. RG/2 Claims Administration LLC shall serve as the Administrator.

14. The Administrator shall implement the Class Notice program, as set forth below and in the Settlement Agreement, using the notices substantially in the forms attached to the Settlement Agreement and approved by this Preliminary Approval Order. Notice shall be provided to the members of the Settlement Class pursuant to the Class Notice program, as specified in the Settlement Agreement and approved by this Preliminary Approval Order. The Class Notice program shall include the Notice, the Long-Form Notice and the Settlement Website, as set forth in the Settlement and below.

Notice

15. The Administrator shall administer Notice as set forth in the Settlement. The Notice shall be completed and issued no later than 30 days following entry of this Preliminary Approval Order.

Settlement Website

16. The Administrator shall establish a Settlement Website as a means for Settlement Class Members to obtain notice of, and information about, the Settlement. The Settlement Website shall be established as soon as practicable following Preliminary Approval, but no later than before commencement of the Class Notice program. The Settlement Website shall include the Settlement, the Notice, the Long-Form Notice, the Preliminary Approval Order, and other such documents as Class Counsel and counsel for Defendant agree to include. These documents shall remain on the Settlement Website until at least 14 days following the distribution of Claim Settlement Checks.

17. The Administrator is directed to perform all substantive responsibilities with respect to effectuating the Class Notice program, as set forth in the Settlement.

Final Approval Hearing, Opt-Outs, and Objections

18. **A Final Approval Hearing shall be held before this Court on _____, 2025 at _____.m, at Courtroom __ or through Zoom or other video conferencing equipment** to determine whether to grant Final Approval to the Settlement and to enter a Final Approval Order, and whether Class Counsel's Fee Application and request for a Service Award for the Class Representative should be granted.

19. Any person within the Settlement Class who wishes to be excluded from the Settlement Class may exercise their right to opt-out of the Settlement Class by following the opt-out procedures set forth in the Settlement Agreement and in the Notice Program at any time during the Opt-Out Period. To be valid and timely, opt-out requests must be sent to the Administrator and postmarked on or before the last day of the Opt-out Period, which is 45 days after the Class Notice is postmarked (the "Opt-Out Deadline"). To be valid, a Request for Exclusion must include the following information:

- a. the case name;
- b. the name, address, and telephone number of the Settlement Class Member;
- c. the telephone number at which the person received a call(s) from or on behalf of Defendant;
- d. be personally signed by the Settlement Class Member requesting exclusion; and
- e. contain a statement that indicates a desire to be excluded from the Settlement Class in the Action, such as: "I hereby request that I be excluded from the proposed Settlement Class."

No mass or class opt outs are permitted.

20. Any Settlement Class Member may object to the Settlement, Class Counsel's Fee

Application, or the request for a Service Award for Plaintiff. Any such objections must be mailed to the Clerk of the Court, Class Counsel, and Defendant's Counsel, at the addresses indicated in the Long-Form Notice. For an objection to be considered by the Court, the objection must be postmarked no later than 45 days after the Class Notice is postmarked (the "Objection Deadline"), as set forth in the Agreement and which shall be identified in the Notice Program. To be valid, an objection must include the following information:

- a. the name of the Action;
- b. the objector's full name, address, and telephone number;
- c. an explanation of the basis upon which the objector claims to be a Settlement Class Member, including the telephone number at which the call(s) at issue were received;
- d. all grounds for the objection, accompanied by any legal support for the objection known to the objector or his counsel;
- e. the number of times in which the objector has objected to a class action settlement within the five years preceding the date that the objector files the objection, the caption of each case in which the objector has made such an objection, and a copy of any orders related to or ruling upon the objector's prior such objections that were issued by the trial and appellate courts in each listed case;
- f. the identity of all counsel who represent the objector, including any former or current counsel who may be entitled to compensation for any reason related to the objection to the Settlement or Fee Application or application for a Service Award;
- g. a copy of any orders related to or ruling upon counsel's or the counsel's law firm's prior objections made by individuals or organizations represented by the counsel or the counsel's law firm(s) that were issued by the trial and appellate courts in each listed

- case in which the objector's counsel and/or counsel's law firm have objected to a class action settlement within the preceding five years;
- h. any and all agreements that relate to the objection or the process of objecting—whether written or oral—between the objector or objector's counsel and any other person or entity;
 - i. the identity of all counsel (if any) representing the objector who will appear at the Final Approval Hearing;
 - j. a statement confirming whether the objector intends to personally appear and/or testify at the Final Approval Hearing;
 - k. a list of all persons who will be called to testify at the Final Approval Hearing in support of the objection; and
 - l. the objector's signature (an attorney's signature is not sufficient).

No mass or class objections are permitted.

Further, any Settlement Class Member who files and serves a written objection in accordance with the Settlement and this Section may appear, in person or by counsel, at the Final Approval Hearing, to show cause why the Settlement should not be approved as fair, adequate, and reasonable, but only if the objecting Settlement Class Member: (a) files with the Court a Notice of Intention to Appear meeting the requirements set forth in the Settlement; and (b) serves the Notice of Intention to Appear on Class Counsel and Counsel for Defendant by the Objection Deadline.

Further Papers in Support of Settlement and Attorney's Fee Application

21. Plaintiff and Class Counsel shall file their Motion for Final Approval of the Settlement, Fee Application and request for a Service Award for Plaintiff, within sixty (60) days

of this Order.

22. Plaintiff and Class Counsel shall file their responses to timely filed objections to the Settlement, the Fee Application and/or request for a Service Award for Plaintiff, within ninety (90) days of this Order.

Effect of Failure to Approve Settlement

23. Subject to the provisions of the Settlement, if the Settlement is not finally approved by the Court, or for any reason the Parties fail to obtain a Final Approval Order as contemplated in the Settlement Agreement, or the Settlement Agreement is terminated pursuant to its terms for any reason, then the following shall apply:

(a) All orders and findings entered in connection with the Settlement shall become null and void and have no further force and effect, shall not be used or referred to for any purpose whatsoever, and shall not be admissible or discoverable in any other proceeding;

(b) Nothing in this Preliminary Approval Order is, or may be construed as, any admission or concession by or against Defendant or Plaintiff on any point of fact or law; and

(c) Neither the Settlement terms nor any information regarding the Settlement, including, without limitation, the Class Notice, court filings, orders and public statements, may be used as evidence. In addition, neither the fact of, nor any documents relating to, either Party's withdrawal from the Settlement, any failure of the Court to approve the Settlement and/or any objections or interventions may be used as evidence.

Stay/Bar of Other Proceedings

24. All proceedings in the Action are stayed until further order of the Court, except as may be necessary to implement the terms of the Settlement. Pending final determination of whether the Settlement should be approved, Plaintiff, all persons in the Settlement Class, and persons

purporting to act on their behalf are enjoined from commencing or prosecuting (either directly, representatively or in any other capacity) against any of the Released Parties in any action or proceeding in any court, arbitration forum or tribunal asserting or relating to any of the Released Claims.

25. Based on the foregoing, the Court sets the following schedule for the Final Approval Hearing and the actions which must take place before it:

ELEVENTH JUDICIAL CIRCUIT, IN AND
FOR MIAMI-DADE COUNTY, FLORIDA

CAROLE DICKSON, individually and on

Plaintiff,

v.

LEAFFILTER NORTH, LLC,

Defendant.

Case No. 2025-005897-CA-01

**[PROPOSED] ORDER GRANTING FINAL APPROVAL TO
CLASS ACTION SETTLEMENT AND FINAL JUDGMENT**

On May 22, 2025, the Court granted preliminary approval to the proposed class action settlement set forth in the Settlement Agreement and Release between Plaintiff Carole Dickson, on behalf of herself and all members of the Settlement Class, and Defendant LeafFilter North, LLC (“Defendant”) (collectively, the “Parties”). The Court also provisionally certified the Settlement Class for settlement purposes, approved the procedure for giving Class Notice to the members of the Settlement Class, and set a Final Approval Hearing.

On October 16, 2025, the Court held a duly noticed Final Approval Hearing to consider: (1) whether the terms and conditions of the Settlement Agreement are fair, reasonable, and adequate; (2) whether a judgment should be entered dismissing the Plaintiff’s Complaint on the merits and with prejudice in favor of Defendant and against all persons or entities who are Settlement Class Members herein who have not requested exclusion from the Settlement Class; and (3) whether and in what amount to award counsel for the Settlement Class as Attorneys’ Fees and Expenses and whether and in what amount to award a Service Award to Plaintiff.

The Court has been advised that Settlement Class Members received direct Notice and notice via the Settlement Website. Additionally, no Settlement Class Member appeared at the hearing, and there have been no objections to the settlement.

NOW, THEREFORE, IT IS HEREBY ORDERED THAT:

I. JURISDICTION OF THE COURT

1. The Court has personal jurisdiction over the Parties and the Settlement Class Members, venue is proper, and the Court has subject matter jurisdiction to approve the Agreement, including all exhibits thereto, and to enter this Final Approval Order. Without in any way affecting the finality of this Final Approval Order, this Court hereby retains jurisdiction as to all matters relating to administration, consummation, enforcement, and interpretation of the Settlement Agreement and of this Final Approval Order, and for any other necessary purpose.

2. The Settlement Agreement was negotiated at arm's length by experienced counsel who were fully informed of the facts and circumstances of this litigation (the "Action") and of the strengths and weaknesses of their respective positions. The Settlement Agreement was reached after the Parties had engaged in an arms-length mediation and extensive settlement discussions and after the exchange of information, including information about the size and scope of the Settlement Class. Counsel for the Parties were well positioned to evaluate the benefits of the Settlement Agreement, taking into account the expense, risk, and uncertainty of protracted litigation.

3. The Court finds that the prerequisites for a class action under Fla. R. Civ. P. 1.220 have been satisfied for settlement purposes for each Settlement Class Member in that: (a) the number of Settlement Class Members is so numerous that joinder of all members is impracticable; (b) there are questions of law and fact common to the Settlement Class; (c) the claims of Plaintiff

are typical of the claims of the Settlement Class she seeks to represent; (d) Plaintiff has and will continue to fairly and adequately represent the interests of the Settlement Class; (e) the questions of law and fact common to the Settlement Class Members predominate over any questions affecting any individual Settlement Class Members; (f) the Settlement Class is ascertainable; and (g) a class adjudication is superior to the other available methods for the fair and efficient adjudication of the controversy.

II. CERTIFICATION OF SETTLEMENT CLASS

4. Pursuant to Fla. R. Civ. P. 1.220, this Court hereby finally certifies the Settlement Class, as identified in the Settlement Agreement: “All persons in the United States who (i) visited the website <https://www.allstarpros.com> between June 21, 2023 and October 31, 2023, (ii) submitted a phone number on the website <https://www.allstarpros.com>, (iii) did not submit a request to receive information relating to gutters, and (iv) received a telephone call from Defendant.” The Settlement Class excludes the following: (1) the trial judge presiding over this case; (2) Defendant, as well as any parent, subsidiary, affiliate, or control person of Defendant, and the officers, directors, agents, servants, or employees of Defendant; (3) any of the Released Parties; (4) the immediate family of any such person(s); (5) any Settlement Class Member who has timely opted out of this proceeding; and (6) Plaintiff’s Counsel, their employees, and their immediate family.

III. APPOINTMENT OF CLASS REPRESENTATIVE AND CLASS COUNSEL

5. The Court finally appoints Michael Eisenband of Eisenband Law, P.A. and Manuel S. Hiraldo of Hiraldo, P.A. as Class Counsel for the Settlement Class.

6. The Court finally designates Plaintiff Carole Dickson as the Class Representative.

IV. NOTICE AND CLAIMS PROCESS

7. The Court makes the following findings on notice to the Settlement Class:

(a) The Court finds that the distribution of the Class Notice, as provided for in the Settlement Agreement, (i) constituted the best practicable notice under the circumstances to Settlement Class Members, (ii) constituted notice that was reasonably calculated, under the circumstances, to apprise Settlement Class Members of, among other things, the pendency of the Action, the nature and terms of the proposed Settlement, their right to object or to exclude themselves from the proposed Settlement, and their right to appear at the Final Approval Hearing, (iii) was reasonable and constituted due, adequate, and sufficient notice to all persons entitled to be provided with notice, and (iv) complied fully with the requirements of Fla. R. Civ. P. 1.220, the United States Constitution, the rules of this Court, and any other applicable law.

(b) The Court finds that the Class Notice and methodology set forth in the Settlement Agreement and the Preliminary Approval Order (i) constitute the most effective and practicable notice available in light of the facts and circumstances; (ii) constitute due, adequate, and sufficient notice for all other purposes to all Settlement Class Members; and (iii) comply fully with the requirements of Fla. R. Civ. P. 1.220, the United States Constitution, the rules of this Court, and any other applicable laws.

V. FINAL APPROVAL OF THE CLASS ACTION SETTLEMENT

8. The Settlement Agreement is finally approved in all respects as fair, reasonable and adequate. The terms and provisions of the Settlement Agreement, including all Exhibits thereto, have been entered into in good faith and are hereby fully and finally approved as fair, reasonable, and adequate as to, and in the best interests of, each of the Parties and the Settlement Class Members.

VI. ADMINISTRATION OF THE SETTLEMENT

9. The Parties are hereby directed to implement the Settlement Agreement according to its terms and provisions. The Administrator is directed to provide Claim Settlement Payments to those Settlement Class Members who submit valid, timely, and complete Claims, to be paid from the Settlement Cap within the time period and manner set forth in the Settlement.

10. The Court hereby approves Class Counsel's request for attorney fees, costs, and expenses, and awards Class Counsel \$302,250 as reasonable attorneys' fees and costs. The award of Class Counsel's attorneys' fees and costs shall be paid from the Settlement Cap within the time period and manner set forth in the Settlement.

11. The Court hereby awards Class Counsel for their time incurred and expenses advanced. The Court has concluded that: (a) Class Counsel achieved a favorable result for the Class by obtaining Defendant's agreement to make significant funds available to Settlement Class Members, subject to submission of timely and valid claims by eligible Settlement Class Members; (b) Class Counsel devoted substantial effort to pre- and post-filing investigation, legal analysis, and litigation; (c) Class Counsel prosecuted the Settlement Class's claims on a contingent fee basis, investing significant time and accumulating costs with no guarantee that they would receive compensation for their services or recover their expenses; (d) Class Counsel employed their knowledge of and experience with class action litigation in achieving a valuable settlement for the Settlement Class, in spite of Defendant's possible legal defenses and its experienced and capable counsel; (e) Class Counsel have a standard contingent fee agreement with Plaintiff, who has reviewed the Settlement Agreement and was informed of Class Counsel's fee request and has approved; and (f) the Notice informed Settlement Class Members of the amount and nature of Class Counsel's fee and cost request under the Settlement, Class Counsel filed and posted their

Petition in time for Settlement Class Members to make a meaningful decision whether to object to the Class Counsel's fee request, and ____ Settlement Class Member(s) objected.

12. The Court awards a Service Award in the amount of \$7,500.00 to Plaintiff payable from the Settlement Cap within the time period and manner set forth in the Settlement Agreement.

VII. RELEASE OF CLAIMS

13. Upon entry of this Final Approval Order, all Settlement Class Members who did not validly and timely submit Requests for Exclusion in the manner provided in the Agreement shall, by operation of this Final Approval Order, have fully, finally and forever released, relinquished and discharged Defendant and the Released Parties from the Released Claims as set forth in the Settlement Agreement

14. Settlement Class Members who have not opted out shall be permanently barred and enjoined from asserting any Released Claims in any action or from filing, commencing, prosecuting, intervening in, or participating in (as class members or otherwise) any action based on or relating to any of the Released Claims or the facts and circumstances relating thereto; and Settlement Class Members who have not opted out shall be permanently barred and precluded from organizing Settlement Class Members, or soliciting the participation of Settlement Class Members, for purposes of pursuing any action (including by seeking to amend a pending complaint to include class allegations, or seeking class certification in a pending or future action) based on or relating to any of the Released Claims or the facts and circumstances relating thereto.

15. The terms of the Settlement Agreement and of this Final Approval Order, including all Exhibits thereto, shall be forever binding on, and shall have *res judicata* and preclusive effect in, all pending and future lawsuits maintained by Plaintiff and the Settlement Class Members, as well as their heirs, executors and administrators, successors, and assigns.

16. The Releases, which are set forth in the Settlement Agreement and which are also set forth below, are expressly incorporated herein in all respects and are effective as of the date of this Final Approval Order; and the Released Parties (as that term is defined below and in the Settlement Agreement) are forever released, relinquished, and discharged by the Plaintiff and the Settlement Class Members from all Released Claims (as that term is defined in the Settlement Agreement).

(a) The Settlement Agreement and Releases do not affect the rights of Settlement Class Members who timely and properly submit a Request for Exclusion from the Settlement in accordance with the requirements of the Settlement Agreement.

(b) The administration and consummation of the Settlement as embodied in the Settlement Agreement shall be under the authority of the Court. The Court shall retain jurisdiction to protect, preserve, and implement the Settlement Agreement, including, but not limited to, enforcement of the Releases. The Court expressly retains jurisdiction in order to enter such further orders as may be necessary or appropriate in administering and implementing the terms and provisions of the Settlement Agreement.

(c) The Settlement Agreement shall be the exclusive remedy for any and all Settlement Class Members, except those who have properly requested exclusion (opted out), and the Released Parties shall not be subject to liability or expense for any of the Released Claims to any Settlement Class Member(s).

(d) The Releases shall not preclude any action to enforce the terms of the Settlement Agreement. The Releases set forth herein and in the Settlement Agreement are not intended to include the release of any rights or duties of the Parties arising out of the Settlement Agreement, including the express warranties and covenants contained therein.

17. Plaintiff and all Settlement Class Members who did not timely exclude themselves from the Settlement Class are, from this day forward, hereby permanently barred and enjoined from directly or indirectly: (i) asserting any Released Claims in any action or proceeding; (ii) filing, commencing, prosecuting, intervening in, or participating in (as class members or otherwise), any lawsuit based on or relating to any the Released Claims or the facts and circumstances relating thereto; or (iii) organizing any Settlement Class Members, or soliciting the participation of Settlement Class Members, for purposes of pursuing any action or proceeding (including by seeking to amend a pending complaint to include class allegations, or seeking class certification in a pending or future action or proceeding) based on any of the Released Claims or the facts and circumstances relating thereto.

VIII. NO ADMISSION OF LIABILITY

18. Neither the Settlement Agreement, nor any of its terms and provisions, nor any of the negotiations or proceedings connected with it, nor any of the documents or statements referred to therein, nor this Final Approval Order, nor any of its terms and provisions, shall be:

(a) offered by any person or received against Defendant or any Released Party as evidence of, or construed as or deemed to be evidence of, any presumption, concession, or admission by Defendant of the truth of the facts alleged by any person, the validity of any claim (including the propriety of class certification in an adversarial context) that has been or could have been asserted in the Action or in any other litigation or judicial or administrative proceeding, the deficiency of any defense that has been or could have been asserted in the Action or in any litigation, or of any liability, negligence, fault, or wrongdoing by Defendant or any Released Party;

(b) offered by any person or received against Defendant or any Released Party as evidence of a presumption, concession, or admission of any fault or violation of any law by Defendant or any Released Party; or

(c) offered by any person or received against Defendant or any Released Party as evidence of a presumption, concession, or admission with respect to any liability, negligence, fault, or wrongdoing in any civil, criminal, or administrative action or proceeding.

IX. OTHER PROVISIONS

19. All undistributed funds—that is, funds not used to pay the Claim Settlement Payments, Notice and Administrative Costs, Service Award, and Attorneys’ Fees and Expenses—and uncashed checks will remain with Defendant.

20. This Final Approval Order and the Settlement Agreement (including the Exhibits thereto) may be filed in any action against or by any Released Party (as that term is defined in the Settlement Agreement) to support a defense of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any theory of claim preclusion or issue preclusion or similar defense or counterclaim.

21. Without further order of the Court, the Settling Parties may agree to reasonably necessary extensions of time to carry out any of the provisions of the Settlement Agreement.

22. In the event that the Effective Date does not occur, this Final Approval Order shall automatically be rendered null and void and shall be vacated and, in such event, all orders entered in connection herewith shall be null and void. In the event that the Effective Date does not occur, the Settlement Agreement shall become null and void and be of no further force and effect, neither the Settlement Agreement nor the Court’s Orders, including this Order, shall be used or referred to for any purpose whatsoever, and the Parties shall retain, without prejudice, any and all objections, arguments, and defenses with respect to class certification, including the right to argue that no class should be certified for any purpose, and with respect to any claims or allegations in this Action.

23. This Action, including all individual claims and class claims presented herein, is hereby dismissed on the merits and with prejudice against Plaintiff and all other Settlement Class Members, without fees or costs to any party except as otherwise provided herein. Finding that there is no just reason for delay, the Court orders that this Final Approval Order shall constitute a final judgment.

**If You Received a PHONE CALL from LEAFILTER NORTH, LLC,
You May Be Entitled to a Payment from a Class Action Settlement**

A Settlement has been reached in a class action lawsuit about whether LeafFilter North, LLC, (“Defendant”) allegedly made phone calls in violation of the Telephone Consumer Protection Act (“TCPA”) by making prerecorded telephone calls and calls to persons on the national do-not-call registry, without proper consent. Defendant denies the allegations and any wrongdoing. The Court has not decided who is right.

Who’s Included?

Settlement Class: All persons in the United States who (i) visited the website <https://www.allstarpros.com> between June 21, 2023 and October 31, 2023, (ii) submitted a phone number on the website <https://www.allstarpros.com>, (iii) did not submit a request to receive information relating to gutters, and (iv) received a telephone call from Defendant. The Settlement Class excludes the following: (1) the trial judge presiding over this case; (2) Defendant, as well as any parent, subsidiary, affiliate, or control person of Defendant, and the officers, directors, agents, servants, or employees of Defendant; (3) any of the Released Parties; (4) the immediate family of any such person(s); (5) any Settlement Class Member who has timely opted out of this proceeding; and (6) Plaintiff’s Counsel, their employees, and their immediate family.

What Are the Settlement Terms? Defendant shall make available up to \$975,000 in cash (the “Settlement Cap”) for payment of Claim Settlement Payments, Notice and Administrative Costs, Attorneys’ Fees and Expenses and any Service Award. Each Settlement Class Member who submits a timely and valid claim form shall be paid a claim of no more than the amount equal to the Settlement Cap divided by the number of individuals on the Class List, less each Settlement Class Member’s *pro rata* share of the Notice and Administration costs, Attorney’s Fees and Costs and Service Award. Defendant need not segregate funds or otherwise create special accounts to hold the Settlement Cap and will not relinquish control of any money until payments are due as set forth in the Settlement Agreement. The parties agree that undistributed funds—that is, funds not used to pay the Claim Settlement Payments, Notice and Administrative Costs, Service Award, and Attorneys’ Fees and Expenses—and uncashed checks will remain with Defendant.

How Can I Get a Payment? To get a payment, you must submit a valid Claim Form by U.S. mail or online at www.GutterTCPASettlement.com. A Claim Form is attached to this Notice which you can sign and mail. Only one Claim Form may be submitted per Settlement Class Member, regardless of how many calls were received by the Settlement Class Member.

Your Other Options. If you do not want to be legally bound by the Settlement, you must exclude yourself by **08/05/2025**. If you do not exclude yourself, you will release any claims you may have regardless of whether you file a timely and valid Claim, as more fully described in the Settlement Agreement, available at the Settlement Website.
